

Northwest Hockey League Balanced Ice Time Policy

There are 4 defined points for BIT.

1. No power play lines
2. No penalty kill lines
3. Even line rotation though out the entire game.
4. BIT for goalies will be based on alternating full games, alternating periods or equal periods per number of goalies.

If you believe that there was an intentional violation of the BIT policy, please provide the details below. A league representative will be in touch with you to follow up.
