

Section (4) GRADUATE STUDENTS

- 4.1 Any student who meets any of the following criteria shall be ineligible to participate in any Association Activity:
- a. The student is a graduate of a regular four-year high school.
 - b. The student is a graduate of a secondary school which has the same requirements for graduation as a regular four-year high school.
 - c. The student has earned enough credits to entitle him/her to be graduated from the high school and has completed eight semesters of high school.
 - d. The student has received a high school equivalency diploma (e.g. GED/HiSET).

INTERPRETATIONS

- 1. A student who graduates the first semester is ineligible the second semester.**
- 2. A student who has earned enough credits to graduate the first semester but remains enrolled and graduates on the regular date remains eligible to participate.**
- 3. Senior students who are currently eligible in their eighth semester (4th spring) will continue to be eligible for all interscholastic activities even though graduation exercises precede the completion of interscholastic activities for that specific year.**
