

OYBL Meeting Minutes

Date: April 18th, 2016

Board Present: Kevin Schmidt, Andy Weiland, Mark Koopman, Jim Schrimpf, Jon Nedelcoff, Eric Taplick, John Jaeggi, Corey Sielaff

Board Absent: Chris Patterson

Guest: Kevin Mehring

Submitted By: Mark Koopman

Minutes:

- Agendas and minutes were distributed and reviewed. Nedelcoff motioned to approve the minutes. Seconded by Taplick. Motioned carried.

Financials:

- Taplick presented financials. Available funds back up to close to \$26,000. Additional income from delinquent payments. Taplick found system issue where you go through registration and not complete the payment, however, kid is still put on a team. Need to look at for next year – maybe print out a list to match against.
- Expenses left: a few miscellaneous items that will hit over summer. ~\$200-\$300 estimate.

WBCA All Star Game:

- Sielaff provided general update on what the game is. Players must be on 1st team all conference team and be nominated by their coach. All Star coaches take nominations into account and select their teams.

Travel/OYBL:

- **BDL-** Not all coaches were present. One change is putting press in for 6th grade and eliminating zone. Most tournaments allow 6th grade pressing. Emphasis was still on development, however, difficult when there are some teams with A/B split and those that split evenly have very strong split teams. Getting refs for the 5/6th grade games was difficult this season. League is tough but Oregon teams improved throughout the year, so overall a good experience.
- **Practice Video-** Coaches looking to put together this summer. Sielaff confirmed minimal to no cost except for time and effort.

- **Parent Handbook-**Had a major issue with one of our parents this year. We don't have any enforcement because we don't have a Parent Agreement Form that parents are required to sign (like what soccer has) – looking to institute as part of the registration process for next year. Having this agreement would allow us to enforce rules. Taplick to send Schmidt a copy of OSA Parent form to use as a draft.
- **Plaques-**A lot of plaques this year. Consider changes for next year, maybe one per sponsor, have our logos on them? Sielaff to check with Empire on options. Consider eliminating coaches plaques next year. Still need to distribute this year's coaches plaques – Koopman to provide to Mehring who offered to distribute.
- 3on3 tournament went well – had compliments from area teams. Refs donated their time.

School District:

- Gym space for summer being blocked – Andy to investigate. Construction started and on-time at the high school. Parking adjustments will continue through the summer – culverts will be paved over for additional parking rows. Lot by hockey rink will be used for marching band.

Other-

- **Committees-**
 - OYBL Committee- Mehring present for lessons learned. Mehring interested in doing again but would need help on scheduling/rostering. Not taking advantage of new site functionality (rosters, texting, etc) so having someone focused on leverage capabilities could save a lot of time. Rules consistency training for refs and coaches. Weiland mentioned we need to work through Wed night practices for religious education to ensure they are not penalized. Mehring to present recommendations by May board meeting.
 - Scholarship – Nominees selected and need to be sent in. Jim Schrimpf volunteered to present on Wednesday May 18th.

Next meeting May 15th, 2016 at 7:00PM.
