***USA Hockey and MN Hockey fees are not collected from youth born in 2011 or later**

Fees are FIRM ESTIMATES only. The ice fees may be adjusted if as the season progresses the individual team exceeds budgeted ice time or scrimmages.

All payments may be reduced by participating in the Wreath fundraiser. Wreath fundraising credit will be applied to the December ice bills.

Ice subsidy for all traveling teams will be applied in the form of lower monthly ice billings which is reflected in the schedule above. There is no cash refund for ice subsidy from charitable gambling or association fundraising.

All players with past due account balances as of January 31, 2018 will be removed from rosters and will not be permitted to participate in any BYHA activities until payments are made and the account is brought back to current status.

Jr Gold players will need to buy a set of jerseys if they do not have them from the prior year. \$120 for the set.
