Approval of Sept. and October meeting minutes. Motion passed

New Business:

1. SHS meeting- thoughts? All went well
2. Facility Usage:
 - a. Locker rooms- water only. Need supervised. No floor hockey-
 - b. Volunteers- make sure they have Safe Sport if they are in the locker rooms.
 - c. Hut volunteers need to have two people in the hut (checks and balances)
3. Parent Rep duties: rep should be the one that people come to for issues.
4. Tourney travel dates: get those dates to Kimberly so she can organize ice time.
5. Friday night public skate- we should cover the hut times for that.
 - a. Do we have access to the ice during travel tournaments? Mr. Holm will offer ice if Friday night is needed. Saturday is non-negotiable. Turn the request into the city by 10 days beforehand.
**city would like tournaments beginning at 630 in the morning and going very late at night. They do not want us to have free time. There is also a possibility of shortening Sat. public skate if that time is needed. We all need to agree to be good stewards.
6. Skate for the Cure- Not a big turn out. Employees kids skated for free. Heidi said they barely broke even.
7. ATM machine from the zoo will be moved soon- perhaps by Friday 7th.
8. Skate Aides: the aides have been used by figure skaters and city. Should we share? They are being used at public skate.
9. Try Hockey for Free: 37 kids came out.
 - a. We need bigger helmets for the older kids.
 - b. Consider trying hockey before our opening meeting
10. Sled Hockey: not as big of a turn out as in the past. 13 kids total came out.
11. Registration numbers: 334 players, 11 have registered in two divisions and a number of others are playing in two without registration.
12. Make sure hut coverage gets double DIBS
13. We lost money on Robbie Glantz- too much was going on during the week.
14. Ice schedule- verify your ice times- use your ice- if you don't use it, we still have to pay for it. Divisions with large groups may be asking for more ice.

15. Ice Bills- if you are scheduled for travel ice, you will be billed for travel ice.
16. Ice times per division- kids need to be registered and must have paid in order to be on the ice.
17. Travel Tryouts- consider spring evaluations.
18. Concussion Testing- PW and older need to take the baseline testing.
19. Officials: make sure they get a schedule 10 days in advance. We need to have level three officials- encourage the kids to take the level three official test.
20. Lower skill player ice time. Do we have an hour for new skaters on the ice for individual instruction? Kids from last year would also like to be included. Goalie ice needs to be attended.
21. New Jerseys: house jerseys for the squirts and girls will be in this week- travel may be in two weeks. High School jerseys will be in tonight
22. Scoring systems: let's use both the paper and the online system.
23. Officials training- parents can be trained to work the off-ice personnel.
24. Facebook as it relates to IFYHA- if any team has a facebook page, it should be deleted. It causes discontent.
25. Pictures- schedule the pictures. Action Photography will do the photos before Christmas season.
