Schedule Summary

- The practice schedule will be divided into two modules – “early season” (September through October) and “regular season” (November through March)...
- Skaters from the girl’s program will practice with teams at their age appropriate levels throughout the season. Players will be directed by the Board and Level Directors to skate with the team which best fits their current skill level.
- The Mite C teams will practice on a Wednesday (5PM) and Saturday (10AM) schedule...Mite C skaters are also eligible to participate in Friday night skills...games will begin in late October/early November on Sunday mornings...
- All reservations of open ice will be coordinated through the **MYH Coaches Representative**...
