13. A goal can only be scored from your team's attacking half of the field. A goal cannot be scored directly off of a kick off.

14. **Built Out Line:**

- 1) The build out line is used to promote playing the ball out of the back in an unpressured setting.
- 2) When the goalkeeper has the ball, either during play or from a goal kick, the opposing team must move behind the build out line.
- 3) Once the opposing team is behind the build out line, the goalkeeper can pass, throw, drop kick or roll the ball to a teammate (NO PUNTING).
- 4) After the ball is put into play by the goalkeeper, the opposing team can cross the build out line and normal play resumes.
- 5) Once the goalkeeper has possession of the ball and the opposing team is across the build out line, the goalkeeper must play the ball within 5 to 6 seconds.
- 6) Once the goalkeeper places the ball on the ground or releases the ball, the ball is "live" and normal play continues.
