

Men/Boys Education Track at the AVCA Covention

At this year's convention, the AVCA is hosting its first Mens/Boys Education track. The men's track will feature both classroom and court sessions designed for men and boys coaches and presented by some of the top collegiate men's coaches in the country. The convention begins on Thursday, December 15 and ends on the 17th. We have designed the schedule for the men's track to include sessions that pertain more to high school and club coaches on Friday and Saturday, making the Weekend Only registration more attractive. More info is available on the AVCA Convention website:

Boys Talent Showcase

The AVCA is also hosting its first ever Boys Talent Showcase. The AVCA Boy's Talent Showcase is a new recruiting event designed to provide high school boys the opportunity to showcase their skills in front of the collegiate coaches that are planning to attend the convention. The event is open to uncommitted and unsigned high school and two-year college volleyball players. The talent showcase will be held from 2 – 3:30 p.m. on Saturday, December 17 in Hall C of the Greater Columbus Convention Center. The cost is \$99 per athlete which includes 1 upper level ticket to the NCAA Division I Women's Volleyball Championships (both semifinals and finals). Additional NCAA match tickets will be available for purchase during registration. Athletes that chose to register will participate in the talent showcase, be put through a round of athletics metric testing called the [AVCA Volleyball Performance Index](#), attend the Women's NCAA Championship matches, and receive some insight into the collegiate recruiting process and tips to improve their visibility.

Athletes can register online here: <https://www.avca.org/events/boys-talent-showcase.html>
