Future investors of Glencoe Youth Baseball,

We are very excited about our 2019 youth baseball season and looking forward to having you be a part of it!

Glencoe Youth Baseball is a registered 501(c)(3) non-profit organization providing a personal hands-on approach to teaching our communities' youth on the value of teamwork while learning individual skills through the game of baseball. We encourage youth of all skill levels and age groups regardless of their economic status, race, gender, or religious affiliation to participate. We offer scholarships for those with financial needs and work to ensure all kids an opportunity to join our league.

Our program encompasses the entire area that is served by Glencoe High School. We are part of the Westside Youth Baseball JBO league of around 160 competitive level teams for 3<sup>rd</sup>-8<sup>th</sup> graders. We also have non-competitive opportunities for players in pre-kindergarten and kindergarten (K-Ball) and 1<sup>st</sup> and 2<sup>nd</sup> graders (Rookies) with a mix of kid pitch and coach pitch. This allows kids to focus on the hitting, throwing, and fielding fundamentals before learning REAL BASEBALL in 3<sup>rd</sup> grade.

Our focus on delivering a consistent level of instruction on baseball fundamentals through our coach handbooks and ongoing coach's training will give our local high school talent a solid foundation to work with when our participants reach high school, we have begun working on incorporating the Glencoe High School program components and drills into our program to align with the varsity head coach on key fundamentals.

These types of opportunities are only made possible through the generosity of the numerous hours donated by our volunteers. Financially we are supported through our fees, fundraisers, donations, and sponsorships from our community partners like you.

We have a number of different packages available at various price points allowing you to decide whatever level of contribution you are able to make. Every contribution helps and every contribution will receive recognition as described on the following page. If you would like to inquire about our ongoing special projects, please reach out directly to one of our sponsorship coordinators below.

Thank you in advance for your time and consideration of partnering with us in creating an organization devoted to fostering the values of teamwork in a fun and competitive environment! Your tax-exempt donation is greatly appreciated!
