

2016/17 SPORTZONE WINTER 5-A-SIDE INDOOR SOCCER

A great game for Competitive, Classic and better Recreational teams!!! It's fast, furious and FUN! Ask anybody who's played it – it's a blast to play and helps make the winter fly right by. 5-A-Side sharpens those hard earned skills by playing the best indoor soccer game around. If the object is to improve your outdoor game, play the game most like the outdoor - NO WALLS HERE! This game improves player's tactical understanding of the game (especially in the younger players) and can greatly improve quickness and technical ball-handling skills. It's no secret; the teams that play in the winter are greatly improved in the spring.
