**Old Business:**

- Access account is all set up.
- Off ice skills is doing well. Approximately 20-30 kids have been attending after the first week.
- Harris Frank is going to be Head Coach for both Midget Teams.

**New Business:**

- LTS will be run by Figure Skating on Wednesdays from 5:15-6. Much discussion took place about LTP. There is a concern about lack of ice time. It was suggested that we do away with LTP and just have Blue Mites take those kids that are interested.
- The Bobcats are asking for more ice time than we have available. A discussion took place that we have to prioritize our ice time for our own teams first.
- Registration will open soon. We are still waiting on finding out if our ice fees will increase even though we were given less ice time. A discussion took place about just leaving the Registration fees the same as last year.
- A former player was released from our organization without getting the proper signature. The player will not be returning.
- The Meet and Greet with the coaches scheduled for 9/10 was cancelled.
- Andy Burns is planning on doing an event in February To commemorate our 100th year.
- A Coaching Clinic for Levels 1, 2, and 3 will be held October 15th from approximately 8-2:30. Off ice class in the morning,  
Lunch at Alteri's and ice slot times in the afternoon.
