

Sending messages to your team using SportsEngine

App version

1. Download the SportsEngine App in your mobile store

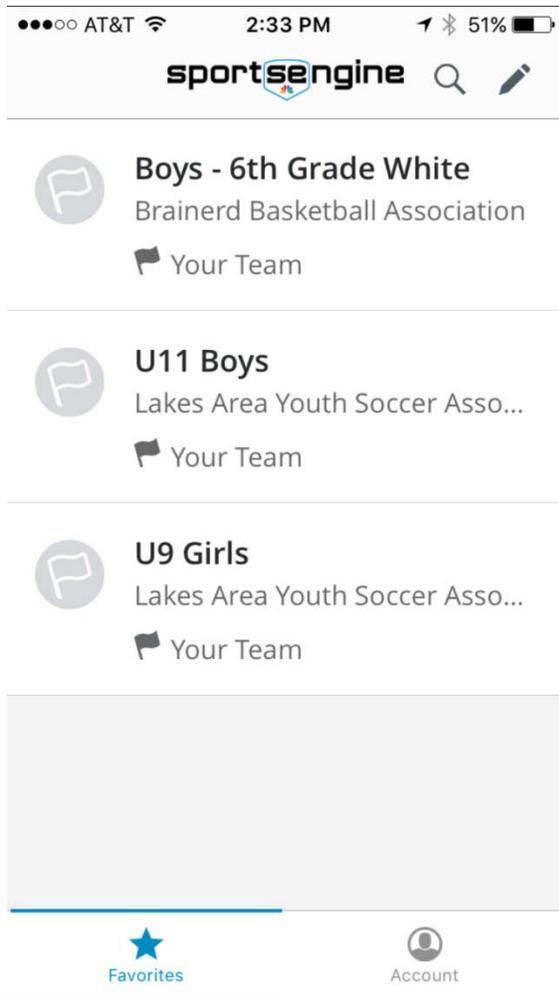

2. Open the app, and click on Account on the bottom to login.

A screenshot of the SportsEngine app's login screen. At the top, the status bar shows "AT&T", signal strength, Wi-Fi, time "2:37 PM", location, Bluetooth, and 51% battery. Below the status bar, there are two buttons: "CANCEL" on the left and "Sign In" on the right. The main content area has a light gray background. It starts with a white input field for "Email address or username". Below that is another white input field for "Password" with a "SHOW" link to its right. A large blue button with the text "SIGN IN" is centered below the password field. Underneath the button is the word "OR". Below "OR" is a dark blue button with the Facebook "f" logo and the text "Log in with Facebook". At the bottom, there are two white buttons: "FORGOT PASSWORD?" on the left and "CREATE ACCOUNT" on the right.

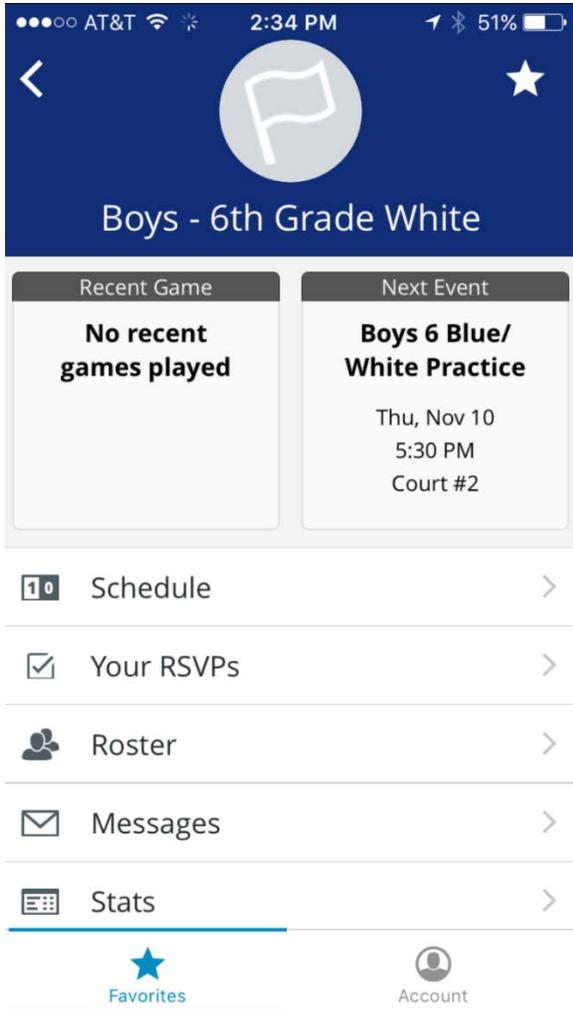

3. You may need to search for your team. Type Brainerd Basketball, and this should bring up a list of all of the possible Brainerd Basketball Association teams. Select yours, and make it a Favorite.

4. This is what the initial screen will look like after you have successfully logged in and have Favorite teams.

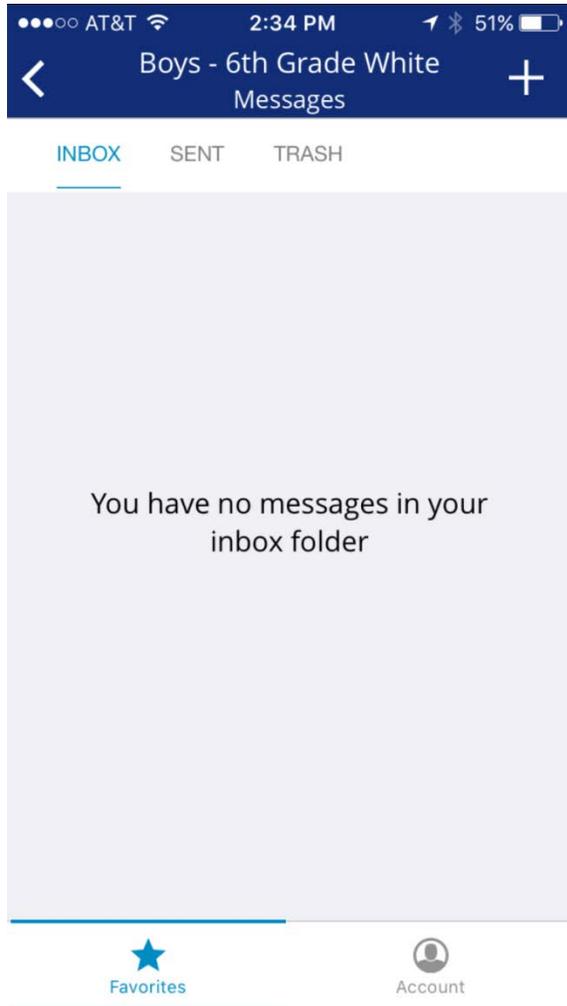

Select your team.

5. Click on Messages from the team page.

6. Here is the message screen. Tap on the Plus sign on the top right of the screen to start a new message.

7. You can select whom to send the message (All Players and Staff is the first option), and type away. Send is on the top right of the screen.
