Home team, as determined by a coin flip, will provide an official scorer for the game.

Because 3 teams play 4 games and 2 teams play 3 games, tie breakers are:

(A) Winning % (B) Least points allowed (D) Coin toss

I apologize to Stillwater and Forest Lake Maroon. There was not room in the schedule for G10. The option was to have one team or three teams play 4 games, (We had the spot on the grid and refs), I opted for three. It was determined by chance, though the Viking cruise ship tour was tempting.
