INCIDENT REPORTING

We understand that whether we like it or not, incidents, disagreements, and accidents happen in relation to youth sports. ARAA always recommends trying resolve issues with your child's coach or with the leaders of the sport first, but if you need another path for assistance please complete an Incident Report via the link below. We promise to protect your anonymity and your child in every possible way. Find the link to the incident report form on our homepage at www.arsports.org.
