When a team, (who has indicated at the beginning of the season of their intent to play in the playoffs, if they qualify) qualifies for District playoff position and fails to participate in the District playoff, the team and/or team association will still be assessed the district tournament fee. If a team forfeits a play in or district tournament game without District Director's approval, a fine of \$1,500 will be imposed against that association. If a team is a no show without notice a fine of \$2,000 will be imposed to that association
6. The District 9 Director and the Executive Board will determine the number and structure of leagues based upon the census of teams from each member association.

**SECTION 2: COACHES**

Notification of cancellation of a league game must be given no later than 48 hours prior to game time; with the exception of the cancelling team being physically unable to play (i.e. large number of team members being ill, inclement weather).   - g. If the same team causes a second delay, a minor penalty for delay of game will be issued by the referee.
8. All players, including goal keepers, are required to follow Minnesota Hockey rule regarding internal mouthpiece.
9. During District, region and state tournaments, running time shall be used whenever a goal differential of six (6) occurs in the third (3rd) period. If the goal differential becomes less than six (6), stop time shall again begin.
10. Where running time is used in District, region or state tournament play, the clock shall not be stopped for any reason except for injuries or rink problems and only at the discretion of the referee. Penalties shall begin at the face-off immediately following the assessment of the penalty. Penalties shall not be posted on the scoreboard unless they can be entered without stopping the clock.

17. Scheduled warm-up begins when both teams are on the ice or when the scheduled ice time begins, whichever is first.

18. Mites and Mini-Mites. Mites are considered 8 years old and younger, Mini-Mites are considered 6 years old and younger. Mini-Mites must play all games cross-ice. Mites may play cross-ice, half-ice, or 6 full-ice after December 31<sup>st</sup> to be determined by the two teams when the game is scheduled.

## **SECTION 8: GRIEVANCE**

1. The Grievance Committee of District 9 will be the District 9 Executive Committee. All grievances must be in writing and postmarked within 72 hours of the reported incident. The local league representative will submit the report to the District Director.
  - a. If necessary, copies of the grievance will be sent to the opposing team's league representative.
2. The two teams involved in the incident will then have 7 days in which to submit any information requested by the Grievance Committee and any information that either team feels is pertinent to the handling and resolving of the grievance. Any grievance not submitted within the 72-hour time frame **WILL NOT BE ACCEPTED**. If the League representative is not available to present the grievance, the local Association President may submit the grievance. If the Grievance Committee's decision will affect League standings the League Statistician must be notified immediately.
3. All Communications to the district director needs to come from the district representative
4. **All Associations are required to read and follow Article 6 for all dealings with Authority, Grievances, Appeals, Suspensions and Court Actions.**

## **SUB-SECTION 8: MATCH PENALTY PROCEEDINGS**

1. Pursuant to the USAH rules and by-laws a Player or Team Official incurring a match penalty shall be suspended from participating in any USA Hockey games and practices until his case has been dealt with by the proper authorities. A hearing by the proper authorities shall be offered to be held (including any further disciplinary action) within 30 days of the incident ("30-day period") together with a decision in accordance with Bylaw 10D (Suspension Hearings/Domestic Competition Playing Rules). If extenuating circumstances prevent the proper authorities from conducting the hearing within the 30-day period, the player or Team Official shall be automatically reinstated after the 30-day period. The failure to offer the hearing shall not prohibit the hearing body from conducting the hearing after the 30-day period and imposing further disciplinary action.
2. The District 9 Board retains the option to hold a disciplinary hearing within 30-days of the offense. The disciplinary hearing is to determine if further suspension is needed. This is known as the "Discovery" phase. During the discovery phase players, coaches or team officials are not allowed to Coach, practice or participate in any team activities until either the 30-day period has lapsed or a hearing has convened.
3. The penalized party may request an "in-person" consideration hearing with the D9 Disciplinary Committee, in writing, to the D9 Director, no later than **5 days** after receiving the game report. If the penalized party does not request a hearing within the specified time period, he/she forfeits the option for further review/adjudication and agrees to comply with the decision/s of the D9 Disciplinary Committee. All decisions made by the D9 Disciplinary Committee are final. (See Appeals process in Section 9).
4. **Hearing Representation:** The person, team, league or local association making an appeal shall be permitted to be represented at a hearing conducted by a District Director, Regional Vice President or the MH Grievance Committee. Such representation may consist of the appealing individual plus one representative, or two representatives for the individual, team, league or association. Said representative(s) may, without a personal appearance, present their position through written statements and letters.
5. **Suspension: Players, Team or League Officials and Others:** The power to suspend any person shall be with the local governing body in accordance with their rules and regulations. Whomever is vested with this authority shall conduct a hearing in situations where the facts of the case are in dispute. All parties involved in the incident and witnesses shall be given the opportunity to give their version of the facts. Automatic suspensions involving violations of USA Hockey and MH playing rules do not require a hearing.
6. Details about hearings come from the District 9 Director.

## **SECTION 9: APPEALS**

1. Any member, team, league or local association who has a standing in the matter may appeal a disciplinary action or administrative action, in writing, to the District Director for a period of ten (10) calendar days, after a decision was rendered or a Hearing refused within its own league or association. Such appeal must state that it is an appeal, and provide the rationale, citing the applicable rule or regulation, as to why the disciplinary suspension or administrative action should be overturned or modified. In all appeals, the appealing party is required to establish the merits of the appeal. The District Director shall make a written determination within twelve (12) calendar days of receipt of a valid appeal. The decision of the District Director may be appealed for a period of ten (10) calendar days to the MH Grievance Committee ("Committee") Chairperson; the Committee must make a written determination within twelve (12) calendar days of receipt of a written appeal and receipt of a \$200 Filing Fee, refundable if the Committee rules in the appealing party's favor. The decision of the Grievance Committee shall be final except as noted in the paragraph hereinafter titled "USAH Appeal". Exception: Suspensions under USAH Bylaw 10 (3)(d) Assault of Game Official are appealed directly to the MH Grievance Committee. F.
2. Appeal Process:
  - a. 1. The District Director and Grievance Committee may make their determination by holding personal meetings, or communicating through the mail, e-mail or conference call(s).
  - b. 2. The "Hearing" format is not typically used for appeals, since the intent is to review the appropriateness of the initial decision, not to provide another forum in which to present the same arguments or evidence. Appeals are generally handled solely on written submissions, and the appealing parties should be notified that no personal appearances can be made.
  - c. 3. The appealing party must provide a basis for the appeal by referring to the relevant rules and/or regulations and describing why the previous decisions made were flawed or incorrect. These elements are essential when considering the basis for appeal. Appeal Requests lacking this information may be rejected for cause.
  - d. 4. Only the evidence and theories explicitly presented to the initial decision-making body for consideration prior to rendering of its decision shall be presented or considered for appeal. In the event new evidence is discovered, it must be identified as such and included in the Appeal Request. If it is determined by the entity considering the appeal that the new evidence would have likely affected the initial decision, the matter will be referred back to the initial hearing body. 5. If the entity considering the appeal uses a Hearing format to assist in making its determination, the process in the paragraph titled "Hearings" hereinbefore will be used.
  - e. Decisions by MH Committees other than the Grievance Committee or the Screening Committee may be appealed to the MH Board of Directors by providing written notice within fourteen (14) calendar days of a written decision. The appealing party must provide the rationale as to why the disciplinary suspension or administrative action should be overturned or modified.
  - f. USAH Appeal: Grievance Committee, Screening Committee or Board of Directors decisions may be appealed to USAH following the provisions of USAH Bylaw 10 - Dispute Resolution, Discipline, Arbitration.
  - g. I. Exclusive Remedy: All Claims, demands, discipline or disputes as defined above shall be subject to the provisions of this Article, and this Article shall constitute the sole and exclusive remedy for dispute resolution. Any recourse to the courts of any jurisdiction by any member or individual shall be deemed conduct detrimental to the best interests of hockey and a violation of the MH and USAH Articles and By-Laws. This violation may result in suspension of membership and/or expulsion from the organization pursuant to the provisions of this Article

For a second violation the player will be removed from the program. All provisions in the USA Hockey Official Playing Rules that apply to the Midget age division and younger shall also apply to the Junior Gold and 16 & Under division except as modified by MH.
3. At the Junior Gold and 16 & Under divisions, the referees may call a Game Ejection on any player/team official at any time during the play of the game. The player/team official will be removed only from the game being played when receiving this penalty.
4. At the Junior Gold division and the 16 & Under division, a Game Ejection shall be automatically assessed when a player receives a third penalty during a single game. Enforcing this penalty is the joint responsibility of the referees, the scorekeeper, the coach and the player.
  - a) If it is determined during a game that a team allowed a player to continue to participate after receiving their third penalty, the game will be immediately forfeited to the other team.
  - b) A completed game may be protested if it is suspected that a team allowed a player to continue to participate after receiving their third penalty. 2. Method of determining a champion in round robin tournament play: The standings shall be determined on the basis of two (2) points for a win, zero (0) points for a loss, and one (1) point for a tie. (During district, region and state tournaments, regardless of format, all games will be played to a win/lose situation. There will be no ties.). If two or more teams have an equal number of points, their position in the standings shall be determined by:

When the tie involves three or more teams, their position in the standings shall be determined as follows: If one tie-breaker establishes a position for one or more teams, each team is placed in the applicable position. Once a team is placed, the remaining tied teams shall start the tie-breaking process again at step 3.a.1.
  - c. If the above procedure does not break the tie, the team that scored the first and fastest goal in a game will be the tie-breaker. If the teams are still tied, the teams shall use a shootout procedure. This will involve each team selecting five (5) players who will alternate taking penalty shots. A toss of the coin will determine which team will take the first shot. If after five (5) players from both teams have completed this procedure, the tie still has not been broken, it shall be repeated with five (5) different players until the standings are determined.
