Call to the Public: Mike Reakoff had concerns about the 6 rule plays being implemented during the middle of the season. He was told that the board had an open discussion about the issue before a motion was made and that is how the board voted. He was upset about the placement of the letters on the jerseys and the fact the black's jerseys were wrong color and arrived late. It was explained that the placement of the letters was how the jerseys were made and that the color mix up was due to teamwork's error.
