

Technical Advisory Group

Ontario Soccer and the Referee Development Department are excited to announce leaders for the newly formed **Technical Advisory Group** (TAG).

You will see some familiar names in the LEADER roles, and that is deliberate. The knowledge and experience they bring to the table is invaluable.

The Pillar Leaders will be taking on dual roles as both Leader and Mentor. They will be mentoring two co-leaders who will be working closely with them as well as sub-groups that will be formed below them.

This structure creates a strong succession planning model and brings more of our valued members into the system.

Please join us in extending congratulations to the following individuals:
