

Arrowhead Fastpitch League Board Meeting  
November 30, 2016  
Blackwoods, Proctor

Present: Pat Shelton, Todd Marunich, Kelly Goeb, Theresa Leopold

- Playoff awards. Much discussion about keeping costs down but still recognizing successful teams. Will continue with individual awards only, no team trophy. Consider bag tags instead of medals. Theresa will look into cost. Also consider using a nice sticker or label instead of engraving so they can be saved for future years if not all used.
- Quick Books is up and running per Sherry. The gentleman that taught her how to use it did not charge us. Approved to purchase a \$50 gift card for him in thanks. Sherry to decide on where to purchase gift card.
- Logo for our website/league. Discussion about have a graphic design student create a logo for our league thru Stan Karich. Again concern raised about possible cost. Suggested we find out the cost. If too much, then consider having a contest for players in the league to create a logo and perhaps offer some sort of prize to the winner.
- Diamond Scheduler. Software for league scheduling through sports engine. Sherry and Kelly looked into this a bit, and looks like it could work for scheduling our league, even with all the specific requests we receive. Will look into the cost and find out if there is an annual fee...email the board or bring to the next meeting to decide if we should purchase it. Will need a few hours of online training for one or two folks to learn how to use it.
- ArbiterOne for ump scheduling. Sports engine does not have a good program for ump scheduling, but arbiter does. This is a possibility. Will need to check to see if software will work for our needs. Also check on cost.
- Fees. Discussed that our fees last year were about equal with our expenses, so the fees seem about right. Will plan to continue fees the same as last year.
- Registration Dates. Plan to have the coaches meeting on April 9, and possibly drop off all rosters, registration fees, etc, that same night instead of meeting again 2 weeks later. Will need to check with all board members if there is a good reason why we have two separate nights now that forms and information are available online.
- Discussed having a forum or discussion page based off the league website for players looking for teams. For future discussion.

- Nonprofit organization. Need to be sure we are completing the appropriate annual paperwork and reporting as this is a new status for us.
- 10U rules. Discussed adjusting rules for 10U with baserunning and/or use of pitching machine. Will come to the coaches meeting with some suggestions and further discussion with decisions made at the coaches meeting.

Future Meetings moved to second Sunday of the month at 7:00pm.
