Reception hours are 5-7 p.m. League information, sign-up, and fees will be collected during the reception. Weekly Play

- Individual and team 9-hole play rotating between the front 9 and back 9.
- We will award points each week based on a variety of games.
- We will always use HDCPs! If a player does not have an established handicap they will play as a scratch that night. It takes five 9-hole rounds to establish a HDCP. Acceptable HDCPs: current GHIN or league HDCP from another course.
- Additionally, you will have a chance to win events each week such as long drive, closest to the flag, etc.
- If the league is officially made optional due to weather, you have until the day before the next league night to make it up. You may play any weekday (anytime) or weekend (after 2 p.m.). You must play with at least one other person to attest your score.

At the end of the season, credit will be awarded based on total points accumulated through the year.

Subs

You may use a sub in your place for league night. The sub would pay no green fees since you have already paid those fees in full. The sub will pay for golf car fees if you have not pre-paid for the season. Sub points will be credited to you. If they do not have an established HDCP they will play as a scratch.

Extra Play

If you would like to come early on league day and play an extra 9-holes, the fee is an additional \$5 for the green fees and \$5 for the cart. Play 9 additional holes following your league round for just \$5.

Other Information

- All new money paid for green fees and cart fees will be used in full at the start of the season
- 3 complimentary 9-hole GF passes for all league members (with cart if prepaid for league cart) will be issued at the beginning of the season to help make up for any missed play during the season.
- VLGC reserves the right to audit your account with you for accuracy.

Play it Forward - Tees

Players may now pick the set of tees that fit their game best:

- You may choose from the red, silver, white, or blue tees
- You must play those tees the entire season, with the exception of a midseason switch on July 11 (restrictions apply)
- If you pick a set of tees for 2017 that are different than the tees you played last season, you must turn in five 9-hole rounds from the new tees to establish a new HDCP at the start of league season.
