

Fountain Valley Pony Baseball has been a vital part of youth baseball in the City of Fountain Valley for 50 years. We are able to serve the youth in our community through the generous support of our amazing local sponsors. The success of this league could not have happened without the financial support of our community.

We are looking forward to continuing the tradition of Fountain Valley Pony Baseball. However, many parts of our facilities are in need of improvements.

Currently, our Fountain Valley fields consist of 4 playing fields. Our snack bar and equipment shed have several items we need to repair or replace, as well as new maintenance equipment for maintaining our beautiful fields.

Fountain Valley Pony Baseball is responsible for upgrading and maintaining the baseball fields and facilities with limited assistance from the city and park we play in.

It is the goal of the Fountain Valley Pony Baseball Board of Directors to continue to improve these facilities and to continue to provide a safe learning and playing environment for our young athletes.

The City of Fountain Valley has always been a community that supports youth athletes and we hope that you, your family, or your business will take this opportunity to help us improve the Fountain Valley Pony Fields. Fountain Valley Pony is committed to teaching the fundamental values of Teamwork, Sportsmanship, and Fair Play to the children of this community.

All sponsorships will go directly to safety improvements at the facility, player equipment, as well as continued field and surface upgrades.

Thank you for your generosity and support!
