Welcome to the Massachusetts Charter School Athletic Organization

The MCSAO is a non-profit organization which was formed back on May 21, 2005 by a group of physical education teachers who wanted to extend their current programs. The MCSAO's mission is to provide charter school students the opportunity to experience athletic competition and to teach the fundamental values of sportsmanship, team play, discipline and sacrifice. To date, the MCSAO MS has thirty-three member schools and offer the following sports leagues:

Fall – Co-Ed Middle School Soccer and Boys and Girls Middle School Cross Country

Winter - Boys and Girls Middle School Basketball

Spring - Middle School Boys and Girls Track and Middle School Flag Football

Over the years, the MCSAO has developed and continuously updated their By-Laws and Operating Manual. Each member school is required to complete their 6 – 14 regular season league schedule first and are allowed to add non-league games to round out their schedules. Member schools are also allowed to pick and choose whatever sports/seasons they wish to participate in.

Tournaments/Championships are held at the end of each season for those schools/teams that qualify. Member schools are also required to pay separately for their home game officials, transportation, facilities and all other costs associated with running an athletic program.

We have attached some membership information for your perusal. Middle School contact information is on the final page of the packet. If you have any further questions, please do not hesitate to contact us.
