4.4. Both team scorekeepers will confer at the bottom of each inning to insure uniformity. Any discrepancies must be immediately addressed with the umpire prior to the resumption of play.

4.5. Mercy Rule: The TEN (10) RUN RULE takes effect at the completion of four innings (three and one half innings if the home team is ahead).

5. Field Policies and Procedures:

6. Equipment:

6.1. Bats Specification

The bat must be a baseball bat which meets the specifications and standards as noted in this rule. It shall be a smooth, rounded stick and made of wood or of metal.

9U - It shall not be more than thirty-three (33) inches in length nor more than two and three-quarters (2-3/4) inches in diameter. Non-wood bats shall be labeled with a BPF (bat performance factor) of 1.15 or less. Maximum Drop (difference between the length and weight) -12.

10U/11U/12U - It shall not be more than thirty-three (33) inches in length no more than two and three quarters (2-3/4) inches in diameter. Non-wood bats shall be labeled with a BPF (bat performance factor) of 1.15 or less. Maximum Drop (difference between the length and weight) -12 for 2-5/8" barrel bats.

13U - It shall not be more than thirty-four (34) inches in length nor more than two and three quarters (2- 3/4) inches in diameter. Non-wood bats shall be labeled with a BPF (bat performance factor) of 1.15 or less. Maximum Drop (difference between the length and weight) -8 for 2-5/8" barrel bats.

14U - It shall not be more than thirty-four (34) inches in length nor more than two and three quarters (2- 3/4) inches in diameter. Non-wood bats shall be labeled with a BPF (bat performance factor) of 1.15 or less. Maximum Drop (difference between the length and weight) -5 for 2-5/8" barrel bats.

6.2. Definition of an Illegal Bat - An Illegal bat is a bat that has been altered or a bat that is not approved for play because it does not meet specifications with regard to length, weight, barrel diameter, labeling or performance standard as outlined in rule 6.1

Any bats found to be in violation of rule 6.1:

- Any previous plays or outcomes will stand.
- An out will be immediately assessed to the team using the bat
- If the violation occurred on a play which was the third out of the inning, the team in violation will start their next full inning with an out
- For the first violation, the bat is simply removed from play and the violation shall be reported by the umpire to the Tournament Director.

- For the second violation - whether in the same game or at any subsequent time during the remainder of the tournament - the manager of the team will be ejected for the remainder of the tournament. Any violation subsequent to this will result in the newly designated manager being ejected.
- *Example: 1 out, bottom of the 3. The batter hits a home run. Upon rounding the bases, the umpire notices that the bat that was used was in violation of the rule. The 3 run home run counts. An out is immediately assigned (e.g. now 2 outs), and the next player in the lineup is at bat (e.g. no batter is skipped)*

NOTE: It is in the spirit of this tournament to i) Not use any equipment that is in violation of the rules and ii) to knowingly take advantage of this rule to reverse the outcome of a play based on the use of an illegal bat. If either team become aware of a violation of the bat rule, it is your duty to report it immediately.

6.3. Helmets – All batters, runners, and batboys must wear helmets with earflaps and catcher’s helmet/mask for catchers and players who are warming up a pitcher or a prospective pitcher.

6.4. Spikes – Metal spikes are only allowed in the Pony Division (13U and 14U).

6.5. All male players must wear protective cups and appropriate baseball attire.

7. In Game Rules:

7.1. Game Time Rule

- 8U/9U/10U - 6 innings
- 11U/12U - 6 innings in duration for pool play 7 innings for Semi-Finals and Championship game.
- 13U/14U - 7 innings

7.2. Game time starts at the delivery of the first pitch. No new inning may start after 1 hour and 50 minutes in regular pool play. There is no time limit for semi- final and final games. However, any inning that is started will be completed (unless cancelled due to weather or curfew – see section 7.3). Games can end in a tie. Extra innings will not be played during pool play. The Semi-Final and Championship games will be played until there is a winner.

7.2.1. If in the judgment of the umpire, a team is attempting to delay a game in order to reach the game time limit, the following penalties will be assessed:

- 1st offense - Warning
- 2nd offense - Automatic out in that team's next at bat
- 3rd offense - Game Forfeit

7.3. If weather interferes with play so that the game is halted, it will be considered a complete game after four (4) innings or 3 and a half (3-1/2) innings if the home team is ahead. If darkness interferes, said game will be immediately resumed at 8am the next morning

7.4. Pitching

7.4.1. No more than (5) warm-up pitches between innings or (7) warm-up pitches after a pitching change.

7.4.2. Trips to the mound by a manager/coach may not exceed one trip per pitcher in one inning. The second trip will result in the removal of the pitcher.

7.4.3. Once a pitcher is removed from the mound, he may NOT return later in the same game as a pitcher.

7.4.4. Balks:

- 8U/9U - There are no balks.
- 10U/11U/12U - Each pitcher will be allowed one balk warning
- 13U/14U - No balk warnings

7.4.5. Pitcher Inning Limits: Pitchers are limited to the specified number innings for each game. There is no tournament or day limit, but there is an expectation that coaches will monitor and look out for the best interest of each of their players.

7.4.6. If a pitcher throws 1 or more pitches, it will be considered a full inning.

- 8U/9U - Two innings (6 outs) maximum
- 10U/11U/12U: Three innings (9 outs) maximum
- 13U/14U: Four innings (12 outs) maximum

Should a pitcher exceed any maximums, the pitcher shall be removed from the game as soon as the error is discovered. Additionally, the offending team will start their next offensive inning with one out and the game shall proceed without any additional penalty.

If the same pitcher hits three batters in one game, that pitcher must be removed from the game as a pitcher. That player may continue to play any other position in the field and may pitch in subsequent games.

7.4.7. Intentionally walking a batter can be done by telling the umpire.

7.5. Base Running

7.5.1. A player must slide at home plate when the play is on. In the judgment of the umpire, if a player did not slide or a player maliciously forces contact on the play, he will be called out and may be ejected from the game. If the tag attempt is "up the line", the runner is not expected to slide prematurely, however malicious contact is still prohibited.

7.5.2. A base runner must slide if a fielder is attempting to tag him at the base. Failure to do so will be called an out. Please note: This rule is not meant to force a runner to dive back to a base on a pick-off attempt. Please use common sense in enforcing this rule. The home plate umpire has final ruling.

7.5.3. A courtesy runner MUST be used for the catcher when there are two outs and may be used for the current pitcher from the last pitched inning with two outs. The player who made the last batted out shall be the courtesy runner.

7.5.4. For the 9U and 10U, the dropped third strike will not be in effect. For 11U through 14U, the dropped third strike is in effect.

7.5.5. Curve balls are not permitted for the 9U through 12U. Pitchers will be removed from the game for violations.

7.5.6. Baserunning at 9U and 10U Levels only

7.5.6.1. Runners may steal bases, but may not leave the base until the pitched ball has reached or passed the catcher. NO LEAD OFFS! There will be NO warnings for leaving the base early.

7.5.6.2. Once the pitcher has stepped on the rubber, runners who leave the base before the pitched ball reaches or passes the catcher shall be called out and the pitch shall be considered a dead ball.

7.5.6.3. On a walk, the batter only gets first base. He may not "pickle" or continue to any other base. Non-forced runners may advance at their own risk.

7.5.6.4. Delayed stealing is not allowed on a pitch, caught and held by the catcher while being returned to the pitcher standing on the mound. A runner attempting to steal must begin the stolen base attempt after the ball crosses the plate and may not stop running until he reaches the next base. Stopping in the middle of the base path is a Delayed Steal resulting in the runner being returned to his original base if the runner was safe. If the runner is tagged out attempting to steal, the runner is out. If the catcher drops or otherwise does not catch the ball cleanly, the ball is "live" and runners may advance at their own risk. Runners may advance on wild pitches or passed balls, but no delayed stealing of any kind is permissible.

7.5.6.5. Although delayed stealing is not allowed, the ball is live if the pitcher does not catch the return throw from the catcher, and base runners may run at their own risk.

7.5.6.6. Wall at Third: (a) A runner may only score (i) on a batted ball and (ii) if forced home from third base due to a walk or hit batsman when bases are loaded; (b) A runner may not steal home under any circumstances. Runners attempting to steal home or stepping off third base do so at their own risk. There is no "free ride" back to third base; (c) Play continues subsequent to a batted ball until either the pitcher delivers the next pitch or time is called. Until such time, runners may continue to advance at their own risk and score. A runner who is not on his base when the ball leaves the pitchers hand shall be considered leaving early subject to rule 7.5.6.2.

7.6. Slashing (e.g. squaring to bunt and then taking a full swing) is prohibited. This is for the safety of the fielders. Any attempted slash bunt will result in an immediate dead ball with the batter being called out. All base runners will return to their previously occupied base.
