Dear Parent/Legal Guardian:

Your young athletes' privacy is important to the United Soccer Leagues, LLC ("USL") and its affiliates, and we recognize the need to provide additional privacy protection for children registering to participate in the Super Y League ("SYL"). Our privacy practices are guided by the United States' Children's Online Privacy Protection Act of 1998 ("COPPA"), as well as data privacy laws in the United States. Younger visitors should always check with their parents or guardians before entering information on any website or mobile application and we encourage families to discuss their household guidelines regarding the online sharing of personal information.

In order to register your child as a participant in SYL, you will need to provide your name, e-mail address, and phone number for security and notification purposes. You will also need to provide your child's pertinent information (name, gender, birth date, team, citizenship, nationality) in order that we may validate his or her age and ensure that he or she has received the necessary International Transfer Clearance. Lastly, you will also need to execute the enclosed Super Y League Parental Consent Form and upload it to the registration site, which will allow us to collect your child's information.

Please note that you can choose to delete (or have us delete) your child's personally identifiable information, but participation in SYL cannot be allowed without it. In any instance that we collect personal information from a child, we will retain that information only so long as reasonably necessary to fulfill the activity request or allow the child to continue to participate in the activity, and ensure the security of our users and our services, or as required by law. In the event we discover we have collected information from a child in a manner inconsistent with COPPA's requirements, we will either delete the information or immediately seek the parent's consent for that collection.

Please be aware that SYL will not release or disseminate any of your child's personally identifiable information collected during the registration process to any third party or marketing company and said information will be used for the sole purpose of registration.

Prior to executing the consent and registering your child, please review the enclosed Privacy Policy (the most recent version of which is always available at: www.sylsoccer.com/privacy).

We look forward to welcoming your child to the Super Y League.
