

Coaches Conference

Each spring, Play Ball! Minnesota celebrates the start of the youth season by hosting the Play Ball! Minnesota Coaches Conference. Minnesota Twins alumni, members of the Twins front office and Play Ball! Minnesota members lead general and breakout sessions on a variety of timely and pertinent youth baseball and softball topics.

The day-long conference is attended by a range of coaches. From first-timers to veterans, the conference is a great way to pick up new coaching skills to pass on to youth players. The conference is held at the home of the Twins, Target Field.

There is a \$20 registration fee to attend the conference and that fee includes breakfast, lunch, speakers, Twins game tickets, and raffle entry.

Each attendee is entered into the Conference Raffle - prizes include Twins game tickets, special meet & greet opportunities, autographed items, and more!

Group rates for 20 or more people are available.

The 2017 Play Ball! Minnesota Coaches Conference date will be announced soon. Please check back for date and registration information.
