

**2017
SC AAU
Pam Mobley**

**Leadership
Award**

There are no words to adequately express the full impact that Pam Mobley made on the entire SC Gymnastics Community. She left a lasting legacy that we will each strive for in the years to come.

SC AAU is proud to honor and remember Pam with a very special Leadership Award that will be given to one deserving coach or athlete each and every year at the SC AAU District Championship meet.

What makes a leader? It's an inherent ability to reach out and guide others. No matter the circumstances, Pam was able to see beyond herself as she set a high standard and example for others to follow. It is this standard of excellence that will be continued in her name.

If you are a SC AAU Club, we encourage you to submit a written nomination for a deserving athlete or coach for the 2017 SC AAU Pam Mobley Leadership Award. Please explain in detail how your nominee exhibits the same leadership qualities as Pam in your gymnastics program, your local community, and in our SC AAU Gymnastics community.

*Please submit written nominations to:
Vicki Walker SC AAU Gymnastics Chairman

Nominations must be received by: Friday April 7, 2017
