

SKATING SCHOOL POLICIES

PUNCH CARDS:

Skaters must check in at the box office upon arrival at the arena for skating school classes or practices. Be specific about why you are here (class or practice) so your card will be punched correctly. To prevent duplicate punch cards the box office cannot replace lost or stolen cards. The Skating School Director is the only person who can reissue replacement cards. The fee is \$10.00 per card. **All classes and guest passes must be used during the current semester.** They cannot be credited toward the next semester.

SKATE RENTAL:

Skate rental is included for all **Starter and Pre-Alpha classes only**. All other students needing skate rental must pay the rental fee of \$3.00 each time.

MAKE-UP LESSONS:

Skaters are entitled to make-up classes. All make-up classes must be taken during the current semester and cannot be accrued to the following semester. Please fill out a **YELLOW** make-up slip at the box office and take this slip to the class instructor. Class schedules located in the hall lobby list all class levels and days to help with your make-up decisions.

Needing to switch from your original class day? Please fill out a **GREEN** change of class slip from the Box Office and leave it with one of the clerks in order for your record to be updated.

We offer a 5% discount to all skating school students who re-register & pay in full by the last day of class
