SEEKING FAMILIES IN BEAVERTON, SUNSET HIGH SCHOOL & NE PORTLAND (NEAR MODA CENTER)

Portland Winterhawks players are 16-20 year old young men living thousands of miles away from home while they further their hockey careers here in Portland. They rely on local families like you to provide a loving and nurturing “home away from home.” Host family benefits include:

- Build relationships that last a lifetime
- Exclusive host family functions
- Season tickets, parking and more

“I have been a billet (host family) for 30 years... Truly, I have gotten more out of the experience than I have ever given”

– Carol Bechtold, Winterhawks Host Mom
