

Manager Cheat Sheet - U9 + U10 Teams, page 2

Game Reschedules/Cancellations

Resched-ules will need to be made dur-ing the rec-on-cil-i-a-tion period. Once that time has passed, resched-ules will only be made for weather and field related cancellations.

•If the deci-sion is taken to can-cel a game before 7:00am on the day of the game, the **home coach** must notify the oppos-ing team and the Alliance ref-eree assignor, Bryan Gru-chow, at bryan.gruchow@gmail.com so he can con-tact the referee. In addition, both teams' club directors must be made aware of the change.

The deci-sion to can-cel after 7:00 am on game day rests with the ref-eree. If you have not noti-fied Bryan before 7am that the game has been can-celled, you must show up to the field. If the ref-eree shows up and your team doesn't you will still be oblig-ated to pay the ref fee, and may be liable for a \$50 fine if the other team is not informed in a timely manner.

Reporting Scores

The home team is responsible for reporting your scores. Please report your scores to using this [google form](#). This is important information for league formation the following season.

NEW RULES FOR 2016-17

- U9/10 play 7v7 (6 field players and a GK)
- There is a 'BUILD OUT LINE' on the field. This line should extend across the field sideline to sideline and be 4 yards past the penalty box area. If the field is not marked you may use discs to mark the line.
- Punting is no longer allowed
- Intentional heading is no longer allowed
- There is no offsides at u9/10.

Club Passing

•Club passing allows players currently registered within the same club to be used on other (age-appropriate) teams during league games as well as in tournament play.

MAYSA Cup Tournament

Regent is encouraging all of our U9 and U10 teams to attend the MAYSA Cup Tournament at Reddan Soccer Park.

The tournament will take place in May 2017. Please stay tuned for more information about how to register your team, dates and cost per team.
