Coaches:

Welcome to another fantastic school year of teaching and coaching! I am excited to serve this year as the President of the Colorado HS Coaches Association. I have been on the Board for four years, and I watched the workings of the Association become more effective and efficient. I look forward to helping a great group of dedicated, capable coaches in continuing that trend.

When you read this, the new school year and fall sports are probably in full swing. School and high school sports remain those unique opportunities where you get to “start fresh” every year. Hopefully you are fired up and ready to take on this year’s new challenges and situations. Get excited for your new season -- your attitude will rub off on your athletes, and they will perform for you.

Two situations struck me this summer. First came the death of football Coach Ed Thomas in Iowa. I appreciate the stories of community, faith, family and football. They have reminded me as a coach to enjoy what I do, to love the kids, to continue to be teacher and role model to my athletes. I hope I can influence them the way that Coach Thomas has. Now, his sons are an influence on the community.

The second situation that has my attention is the trial of David Jason Stinson in Kentucky. As of this writing, the trial has just begun. This coach, too, has the support of family, community, and coaches across the country. This story has reminded me as a coach to be a planner, to choose my words carefully, and of course, always to be a member of my coaches association (for that insurance!).

I want to say a huge thanks to all of the coaches and directors who made our summer activities, the all-state games and the Multi-sport clinic, so successful. The all-state games and clinics are two of the pillars of our organization. We will continue to work hard at making these excellent.

Finally, ENJOY your year working with the high school kids. We used to sing a song when we were little called “KIDS UNDER CONSTRUCTION”—remember that that is what they are, a work in progress. So coach, teach, train, encourage, discipline, inspire and love every minute of the process—you are building something great.

Have a fantastic year!

Becky Mudd
THE SCHOOL STIMULUS PACKAGE

By John Burke
Executive Director

As the fall sports seasons continue and our players, coaches and community members strive towards the end of the season championships, perhaps it would be beneficial for all of us to come to the realization our schools and programs could benefit from a "stimulus package" provided by the schools’ most valuable resource, the coaches themselves.

Most factors in our lives are a choice. We can choose to be happy or sad, rich or poor, positive or negative. We choose our friends and we choose our actions. As leaders of not only young people but often as the most influential staff members on a given campus, coaches are in a position to provide more stimulus and therefore, more effectiveness, in changing a school’s culture and leading the school on the path to well-being and success.

The stimulus package begins with the coach’s attitude. Everything starts with attitude. It is critical that the coach project a positive and enthusiastic attitude towards all connected to the school. Our administration is helpful, the faculty is student-oriented, parents are trying to assist us, and our student-athletes are just that – they are ours and we will do our best to develop and nurture them into young adults as we try to compete with the best in our leagues and classifications. This is not to say we will not have problems with the aforementioned groups, only that how we respond, and our attitude towards the response is our choice. We as coaches continually impress upon our athletes to choose the right kind of friends and associates. We need to adhere to these words ourselves; as we need to stay away from the negative individuals and locations on our campuses.

Projecting a professional image can also stimulate a school and program as the coach is the accepted leader and face of all associated with the school and often, the town itself. Professional image is more than dressing properly. It has as much to do with using appropriate language, speaking well in public, knowing when to speak and when to listen, and going out of your way to help and assist not only those affiliated with the program but those who just need help. Professionals are accepted when the standards they set for others reflect the standards they have set for themselves. No one will follow a hypocrite.

The word stimulus means to cause and encourage a given response, to provide impetus, to deliver an impulse, to stimulate, to goad, incite, trigger or instigate. This is a role perfectly suited to the fine men and women of our coaching staffs. As the school year continues, and the victories are either plentiful or hard to come by, it is of considerable importance that all coaches provide the proper stimulus to their schools and affiliated individuals. Congratulations on being a member of the world’s best profession.

The Rockies were in one of their non-hitting games. I was wandering on the main concourse near the Bud Light concession. The concourse was full of people bored with the game. One guy I saw was acting strange. He was going from group to group listening to what people were saying but not saying anything himself. I went up to him to ask him what he was doing. He was suddenly startled. He said, “People are not supposed to be able to see me.”

“I said, “That’s O. K. I’m not supposed to be at the ball game either. I’m supposed to be helping my daughter paint her house.”

“No, no, I mean I am supposed to be invisible to humans. Angels have always been able to go around without people seeing them.”

“Oh! So you are an angel then? What’s your name?”

“Well, I’m actually an archangel, and you wouldn’t recognize my real name. The only archangels’ names you humans know are Michael and Gabriel. You can call me Michael.”

“A…yeah, OK, Michael, and I suppose that lump in the back of your T-shirt is your wings.”

“What are you some vestige of the middle ages? We don’t travel by wings any more. We use mind travel. That lump is my celestial lap top. Why are you the only human that can see me?”

“I don’t know. There was some funny–tasting stuff in my oatmeal this morning, but why are you here anyway?”

“I was asked to get an up-close idea of how people were thinking.”

“Oh, great! You can talk to me about that.”

“You’re not important enough. I want someone like Jim Tracy, Hickenlooper, Obama or Mahmoud Ahmadinejshhhch…” (Not even an archangel can pronounce it.)

“I’m important. I was a high school coach. I trained young men for success in life.”

“Get real! You trained young men to win football games…sometimes. Don’t give me that noble human sh…stuff. If you trained young men for life, why were seven of your young men already deceased before they were twenty years old? It looks like your training for life had some big flaws.”

“Do you know my football players who have passed on? I’ve always wondered how it was for them to give up everything at such a young age.”

“Well, I am not permitted to tell you any of the particulars of their lives in the other world, but you must have guessed it was something that no one should have to go through—no families to carry on their values, no long-time accomplishments, no lives of learning, no great masterpieces, unless you consider winning a football game a masterpiece, which you probably do. They lost all of the great things they might have done on earth in years of achieving, learning, teaching and improving lives. You people on earth are not doing enough to keep these senseless murders from happening.”

“Gee, Michael, you’re right, but I didn’t come to a baseball game to get chewed out, even if it was by an archangel. I just wanted to know if they are all right.”

“I will tell you this. There’s a group of seven young men that are undefeated in the seven-on-seven Friday night football league that they organized. Of course, their competition is quite old.”

“Ah, that’s great to hear. “Say, Michael, you’re omniscient, right? Can you make sure the Rockies edge out the Dodgers for first place in the Western Division of the National League this year?”

“Ha! That’s a good one. I may be omniscient, but I’m not a miracle worker!”

MEET COLLEAGUES FROM ACROSS THE COUNTRY AND SHARE IDEAS!
On behalf of the CHSAA staff and Executive Committee, welcome to the 2009-10 school year, we want to wish you great success in the upcoming school year and want you to know how much we appreciate what you do for kids.

A quick note of congratulations to all the spring state championship coaches. It was a great spring for our students and you all play such a crucial role. Take a moment to bask in the glory of past achievements.

Please be aware of the transfer rule and that you know how your student athletes got to your team. Help your athletic director spot those students who may have transferred since the end of last season. It is the responsibility of each coach to understand this rule and its implications as well as any other rule that affects a student’s eligibility. If a student played at a school other than yours last year, they need to be checked for the circumstances of their appearance on your roster. If you have a student out for your team that you do not remember from last year, find out if they transferred in and make sure your AD knows.

The CHSAA staff would like to remind you that the following need to be in place before allowing a student to participate in a game:

1. Student must have a current physical on file with the school.
2. Student has participated in nine days of practice.
3. Student must have taken and/or passed the required number of classes last spring.
4. Student must be currently enrolled in the proper number of classes and passing; and a grade check has been performed.
5. Transfers have been verified as bona fide moves or otherwise able to participate.
6. If summer school make-up is being required to gain eligibility, make sure that work been completed and turned in by Thursday.
7. Student is of appropriate age.
8. Student has not participated for more than 8 semesters.

While there are many other factors to consider, the 8 listed above are the most frequently asked questions.

Remember that playing an ineligible student will result in a game forfeiture. If you have questions feel free to give us a call.

The annual CHSAA Sportsmanship Summit will be held Monday, September 14, at the Cleo Parker Robinson Dance Studio (119 Park Avenue, Denver). The work that you and your school have done to improve sporting behavior is evident, but we need to continue to work at continuing to improve in this area and addressing the areas that need help the most. Contact your AD to get involved. It starts at 8:30 a.m. A special feature this year is a public address announcer’s clinic to explain that person’s role in sportsmanship. PA announcers attending that clinic may be considered for state playoff assignments through the CHSAA office.

This year, the CHSAA Sports Advisory Committee meet to determine the playoff formats for the next competitive cycle. There are likely to be numerous changes in leagues and classifications, so the committees will be reviewing that prior to developing those formats. If you have any suggestions, please contact the Chair of the committee or the CHSAA staff liaison:

Please remember to participate in the CHSAA’s online officials’ evaluation program. The lead official in all sporting contests has been instructed to provide you and the opposing head coach with a business card with the names of each of the game officials. Please make a part of your post game ritual the evaluation of the game officials. Then at the conclusion of the regular season, you will be asked to select those officials you feel in your opinion were the best.

The time it takes to access the forms on our website and then fill them out will take no more than five minutes. Your participation in this evaluation program is essential to making officials accountable during the regular season and then helps us find the best officials for our post season officiating assignments.

Go to coaches’ corner on www.chsaa.org and click on the Officials’ Rating Evaluation Card.

This is the time of the year that the CHSAA office compiles its nominations, in conjunction with the CHSCA, for the NFHS coach of the year in each sport. Please make sure you get your nominations in to your sport president right away.

I would like to start by congratulating our award winners for this year. These awards are presented each year at the clinic. To be considered for these awards you must be a member of the CHSCA and both awards are given annually. The Ceal Barry Award was presented to Greg Fruwirth. This could not have been given to more deserving person. Our Coach of the Year was presented to David Reed, the head girl’s basketball coach at Wray High School. His success the last few years has been exceptional and is very deserving of this honor.

I felt we had an excellent clinic this year. The last few years we have had great attendance at the clinic. I hope for those who attended you make this an annual event and for those that did not make it I hope you will put it in your plans for next year. I have already begun to work on the speakers for next year. If you have ideas for speakers please let me know. I have to have all this firmed up by late March.

The CHSCA all-state games were again a huge success in Greeley. I would like to thank our all-state basketball coaches for helping to make the games a success. They all helped to make the experience a very memorable one for the players selected. The following were the all-state coaches: Harry Knight-Fountain Ft. Carson, Justin Kravig-Valley, Blake Canty-Sanford, Kevin Mickelson-Gunnison, Eric Hulen-Mesa Ridge, David Reed-Wray, Myles Baker-Stratton, David Huss-Caliche.

With the basketball season quickly coming upon us just a reminder about the new winter break practice rule. You may practice December 28, 29, 30 and 31. These practices cannot be mandatory; they must be voluntary to comply with CHSAA rules. Some school districts and leagues have decided to continue with the previous rule and not allow practices during this time frame.

I am working to improve the selection process of our all-state players for our all-state games in Greeley. A committee will be established to write down the rules we should be following at our selection meeting that we typically hold the Sunday after the conclusion of the state tourney. If you have suggestions please let me know. We just go by past practice so I hope to bring these rules for your approval at next year’s clinic and have them established in writing for everyone’s access and information.

Along with that I am creating a list of league representatives from each league to be responsible for submitting your all-state player nominations. If you helped me this last March you are currently on the list as your league representative. You will be receiving an e-mail from me about the selection guidelines and expectations this fall. I still need league representatives from the following leagues:

- Class A-Fischer Peaks, 5280 Mile High, High Plains
- Class 2A- Western Slope (2A-3A), West Central
- Class 4A-Denver Prep, Southwestern Pioneer
- Class 5A-Front Range, Denver Prep

Please let me know if you are interested.

I encourage you to use Max Preps for your statistics this season. They have made several nice improvements to their website. They are big financial supporters of the CHSCA.

I would also like to encourage all coaches to schedule a breast cancer game this season. This has become huge at the college level and is now spreading to the high school. The CHSAA will let you schedule it at any time, but the time designated by the WBCA is Feb.12-21. You need to e-mail Bert Borgmann at the CHSAA at least a week in advance to get permission. You can have pink t-shirts printed to wear for the games, but they must have a number on the front and the back.
Once again we start a new school year and get the opportunity to work with young people on and off the court. As usual the summer flew by and looking back it is difficult to see where it went. Hopefully, it was relaxing. With the new school year there is the excitement to begin teaching and looking forward to coaching again. This is the time of year that educators get excited about their profession.

I would like to take this opportunity to introduce myself. I teach United States History and coach basketball and track at Roosevelt High School. This will be my ninth year at RHS and my 22nd year in education. After being selected as the basketball vice president two years ago, I am now taking over the presidency from Jim Altergott. Jim did a great job as president and he deserves our thanks and gratitude for the time and energies he contributed.

Because of Jim, the all state basketball games ran smoothly. There was good competition as well as camaraderie. It was exciting to see the players and coaches enjoying the games. The clinic at the end of the summer was interesting and informative. It was good to see the number of coaches that attended and to hear some good speakers. Listening to different coaches with their diverse coaching style stimulates the mind and gets the excitement for the season flowing. Good luck with the beginning of the school year and enjoy the fall, when the season starts it will be busy as always.

mpredmore@weldre5j.k12.co.us

A new school year has started and with it comes the optimism that we are finally going to win that State Championship. We also know that we will have to win all of the right games to have that opportunity but we are up to the task. If we have players that are playing football our greatest hope is that no one gets a season-ending injury that will carry over to our season. We hope the football teams have a successful season.

The All Sports Clinic was held on July 31st, and August 1st. We had some really excellent college speakers. I know I really enjoyed listening to them and picked up a few ideas that I am going to use this next season. We also had a coaches’ forum where several coaches gave presentations on their favorite drills and other ideas that work well. I would like to thank all of those coaches who were not afraid to share their thoughts with the rest of us. It would be great if we could have more high school coaches attend our clinics. Out of 300 plus high schools in our state, only a fraction of the coaches attend the clinic. If you have any suggestions to improve the clinic to get more of you to attend we will gladly listen. We would like more participation. Is the time of the year a problem? Do we need more college speakers, more high school speakers, more big name college speakers? What would you like to see to get you to attend the clinic? Let us know.

During the clinic two years ago we elected a vice-president to take over when my two-year term expired. Mike Predmore from Roosevelt will be your new basketball President. Mike teaches and coaches at Roosevelt High School in Johnstown. We also elected a new vice-president at this year’s clinic who will take over when Coach Predmore’s two-year term has expired. Dave Mecklenburg from Platte Valley is your new vice-president.

I would also like to thank everyone who has given me support and help during the past two years. I certainly appreciated it and it also helps us have a more successful organization.

Good luck this year and thanks for all of your help.
This “slightly” overweight ex-shot-putter is rejoicing that cross country season is upon us. I’m a little like baby bear when it comes to our seasons down here on the plains—winter is too cold, spring is too windy, summer is too hot, but fall, ah fall…fall is just right. Our program, like many, is rebuilding. But the promise of the future coincides with the promise of a new school year. We long to see what the future holds for our new recruits. I have the luxury of working with our junior high program and my twelve junior high athletes absolutely ROCK! Don’t even get me started on the hard work and dedication of my high school athletes, some of them are dual sport athletes this season. So, let’s look back at last spring before I start to ramble.

“INCREDIBLE!” is the word I would use to describe the 2009 2A-5A Colorado State Track and Field Championships. Mason Finley and the Thompson Valley’s girls’ relays were meet highlights for me. In my opinion, the most unforgettable pair of races were the boys’ 3A 1600m & 3200m. Joseph DeMoor’s “wild style” and Andrew Roberts’ efficiency made for some high drama. I’m sure you collected your own highlights during the three-day track and field festival. So a huge “THANK YOU!” to associate CHSAA commissioner Rhonda Blanford-Green and everyone that assisted her in making the meet an absolute success. While most small school coaches were hesitant to embrace the idea of a 2A-5A state meet, one thing was certain—by Saturday, even the most stubborn among us agreed it was a great celebration of Colorado’s track and field talent.

On behalf of Colorado’s track and field coaches, I nominate Shannon as a CHSCA saint!

Congratulations to the following state champion teams and coaches:

Please mark your calendar now for the 2010 CHSCA Track and Field/Cross Country Coaches Clinic to be held on Feb. 5 & 6 at the Red Lion Hotel on I-225 and Parker Road. John Hancock and Tom Southall are putting together another outstanding lineup of speakers, and I’m sure Coach Southall and the Red Lion have another great Friday night hospitality event planned. Please check the CHSCA website, www.colohsca.org, as online registration should be available soon.

On July 31 & August 1, 2009, the CHSCA hosted the Multi-Sport Coaches Clinic at the Red Lion Hotel in Aurora. At the XC clinic we had the following presenters: Michael Pollard of Pine Creek HS, Mark Roberts of Lyons HS, Alan Versaw of The Classical Academy, Sherry Kimball of Bayfield HS, Matt Norton of Thompson Valley HS, Mike Callor of Dakota Ridge HS, and Jay Johnson. It was my absolute pleasure to introduce these coaches. They all did a fantastic job and I want to thank them all for giving back to our great sport of cross country. If you were unable to attend this year’s clinic, PLEASE mark the 2010 clinic on your calendar now—I guarantee more outstanding presenters, great company, and good food & drink!

Some quick reminders: The CHSCA T&F/XC regional reps met on August 1st and will meet again at the T&F/XC clinic on either February 5th or 6th. If you want to see the minutes of our
August 1st meeting, please email me at kyle.boydstun@pritchett.k12.co.us. If you have concerns or suggestions about our sport, please contact CHSAA associate commissioner, Rhonda Blanford-Green. You can also contact one of the CHSAA track and field committee or cross country committee members—they are listed in the front of the T&F or XC bulletin that CHSAA sends to each head coach at the beginning of the season (if you haven’t received yours, ask your athletics director). Finally, you can contact me. As your CHSCA cross country/track & field president, I will represent our regional representatives at the following CHSAA committee meetings: the CHSAA track and field committee meeting will be held on November 19, 2009, at the CHSAA office at 9:30 am. The cross country committee meeting will be held on November 23, 2009, at 9:30 am, also at the CHSAA office. If you want to attend one or both of the meetings, please let the CHSAA office know that you will be attending.

By the time you read this, we’ll be well past halfway through our cross country season. I hope you and your athletes began the season as excited as I am now, writing to you on August 31 (yes my deadline is Sept. 1—procrastination, I know thee well) and I hope injuries are talked about only in relation to your football team. XC coaches, if our 2009 State Cross Country Championships are anything like the 2008 version, I wait with the anticipation of seeing you there and witnessing the excitement and drama of another history making season finale.

We had several excellent speakers at our Multi-Sport Clinic at the Red Lion on July 31st and August 1st. Annie VanWetzinga of Colorado School of Mines and Shane Showalter of CSU-Pueblo both were very good speakers, and very informative. Also, Chris Brown’s daughters were excellent speakers. Dave Neidlinger and Bert Borgmann spoke on CHSAA issues and rule changes. It was a great clinic.

Our CHSCA All-State selection meeting for softball will be at Monarch K-8, 263 Campus Dr. in Louisville, CO 80027 on Sunday October 25th following the State tournament. We will be following the CCGS meeting which starts at 9:00 am, we will start at approximately 10:30 am. We will have Karen Byrant, of CHSCA there to enroll coaches into CHSCA. Only coaches that are members may nominate and vote for the players to be selected. Also coaches must be members to be eligible to coach the All-State game. Remember, member coaches benefits include: subscription to the Colorado Coach, your member card, which gives you free admittance to any games, including district, regional, and/or state events sponsored by CHSAA, eligibility to coach in the All-State Games, reduced rate for attendance to CHSCA clinics, CHSCA awards, and a $1 million liability insurance policy. Membership is $70, Check with your school AD. Many schools will pay for your dues. See you at the meeting on October 25th. Good luck with your seasons.

Fellow Coaches: as you probably were aware our All-State softball game was cancelled about twenty minutes prior to its start time due to a tornado warning. The players, coaches and spectators were directed into the UNC student center, and later into the locker rooms for over an hour. After the storm had passed, the field was left unplayable due to the amount of water on the field from the rain storm.

The following players were to play in the game: Kendall Kautz-Northridge, Ashli Kemp - Windsor, Analyse Garcia - Frederick, Caitlin Connelly-Holy Family, DJ Consonero - Pueblo West, Nicole Felker -Thompson Valley, Laura Mathewson - Holy Family, Jessica Hamlin - Niwot, Keshia Koger -Frederick, Desire Welck - Canon City, Aubrey Maul - Rocky Mtn., Marilyn Montoya - Pueblo County, Danille Oliva - Pueblo Central, Nicole Steinle - Ft. Collins, Erica Christie - Pueblo South, Heather Eggleston - Wheat Ridge, Ashlie Ortega - Erie, Mealnie Buol - Loveland, Amanda Sivettis - Wheat Ridge, Macy Jones-Pomona, Molly Thiebaut -Pueblo South. Congratulations to all the players and coaches who were selected.

Welcome back to another year and season. I want to begin this newsletter with a thank you to all those who made last year even better than the year before. Our membership was up, clinic participation was up, and we had our largest pool of All-State Wrestlers to choose from for our All-State Meet. This is due to the hard work of coaches. I would also like to take this opportunity to encourage all of you to speak to other coaches about joining the Coaches Association so that they and their athletes can benefit from all the things that the Association offers throughout the year, is not just from November through June. Membership runs from August 1 to July 31.

ALL STATE GAMES

This year's All State Teams were coached by Tom Galicia of Fort Lupton, Sung Baek of Green Mountain, Rodney Padilla of Chaparral, and Herb Stenson of Bayfield. They did an outstanding job of making this a memorable event for these outstanding senior athletes. In the end, Galicia and Baek's Blue Team came out on top 23 to 18 with the last match deciding the overall match score. This year's pool was the deepest we have had in many years with 38 wrestlers being nominated for this prestigious event. Twenty four wrestlers participated this year. Again, thank you to all those coaches who continue to provide opportunities for their young athletes by being a part of the organization, The All-State Committee is looking into other possible sites for next year's All-State Games. For the past three years it has been hosted by UNC.

WRESTLING CLINIC

This year’s clinic will take place October 30th - 31st Black Hawk. This year the entire clinic will be held at the hotel. I would like to thank Coach Ryan Witzel for hosting the clinic at Gilpin County H.S. the past few years. He and his booster club did a great job. They will still be providing the clinic with much of the needed equipment.

This year's featured clinician will be the new coach of the University of Wyoming, Mark Branch. Coach Branch has spent the last six years as the Associate Head Wrestling Coach at Oklahoma State University where he also won two National Championships as a wrestler. It should be another outstanding clinic. Along with Coach Branch we will also have presentations from Kyle Brenner, strength and conditioning coach, Mike Moyer, of the National Wrestling Coaches Association to speak about the optimum Performance Calculator, and finally a presentation by a local high school coach.

PARALYMPIC SPORTS OFF AND RUNNING AT THE STATE TRACK MEET!

A very proud moment in my coaching career occurred at the CHSAA State Track and Field Meet on May 15, 2009. No championships were won and no records were broken. But the display of courage and desire was enough to bring a grown man to tears. On that sunny, Friday morning, the second day of competition at the State track meet was kicked off with a historic race. This race was held with athletes of differing physical disabilities—spinal cord injury, visual impairment, and amputation. The following athletes showed their mettle before a packed house of spectators at Jefferson County Stadium:

*Tiffany Conyers, Buena Vista High School
*Vlad Lundquist, Colorado Springs, CO (Vlad is only 11 years old!)
*Luanne Burke, “veteran” runner from Boulder, CO
*Tom Southall, “veteran” runner from Steamboat Springs, CO

The distance of the race was only 100 meters, but it is amazing to think that this short distance is illustrative of how far Paralympic sports have come in our state. The positive response to this race prompted CHSAA Assistant Commissioner, Rhonda Blanford Green, to add a second race to the schedule for the 2010 CHSAA State Track and Field Meet!

This year’s State Track Meet will include a race on Thursday, May 20, 2009 for wheelchair athletes covering 800 meters. This will be an exciting race demonstrating the athletes’ ability to maneuver their racing chairs around the track! This will make for a very exciting race!

On Friday, May 21, 2009 we will once again have the opportunity to see the 100-meter sprint event and witness the power of the athletes as they come down the track in front of the cheering crowd.

Paralympic sport is often categorized with Special Olympic events, but there is a difference between these two courageous groups. Paralympic sport is for athletes with physical disabilities, while Special Olympic events are for athletes with intellectual disabilities. Being associated with either group is a life-changing experience and amazing to witness. I am excited to help promote Paralympic sport in the state of Colorado and again ask for your help in identifying athletes to be part of this remarkable event. I talked with many coaches across the state who shared their stories of holding exhibition races for these courageous athletes at their own track meets. I want to continue to give these athletes the opportunity to compete in front of the top able-bodied track and field athletes in the state. Together we can enhance the lives of athletes across the state, both able-bodied and disabled, by showcasing the courageous young men and women who have hearts as big as the mountains we see every day in our wonderful state.

NOMINATIONS FOR TEACHER/COACH OF THE YEAR

To nominate a coach for Teacher/Coach of the year, give these two pages to your A.D.

COLORADO HIGH SCHOOL COACHES ASSOCIATION

Dear Athletic Director:

For several years we have taken pleasure in awarding the Colorado High School Teacher/Coach-of-the-Year Award presented by the Colorado High School Coaches Association. The award is co-sponsored by Colorado State University, School of Education, Ft. Collins, Colorado.

Our previous award winners have included many outstanding educators. The 2009 winner was Coach Tony Hurt from Heritage High School. All of our winners have been very worthy recipients and truly exemplify the excellence which many individuals bring to both the classroom and the athletic arena. Throughout the years many outstanding individuals have been nominated for this honor.

The award is decided on the following criteria: experience as a teacher and as a coach, holding the position of Department Chair, honors received in both teaching and coaching, and membership in the Colorado High School Coaches Association.

We ask that you and/or your principal nominate a teacher/coach in your school for this award. Each year we update the nomination forms that have been received. If you have nominated an individual within the last three years, the form is on file with us. If it has been over three years, we ask that you submit a new form to us. We will recognize the award recipient at the CHSCA Hall-of-Fame Banquet to be held in 2010. The award winners will be notified of their selections prior to this time.

Nominations for 2010 can be sent anytime but all nominations for this year must be received by December 31, 2009. Please send the information sheet along with your letter of nomination to:

Dr. Dale E. Yost
1010 North Second

Dr. Dale E. Yost, Chairman

This last summer, as a part of the multi-sport clinic, the soccer coaches of Colorado hosted a National Soccer Coaches Association (NSCAA) Special Topics Course at Arapahoe High School. Featured NSCAA clinician, Chico Borja, addressed coaching techniques in progressive training sessions, small game usage and tactical field sessions. In addition to the NSCAA’s contribution to the weekend the coaches had the privilege to host well known international coach Andy McDermid of the Essex International Academy, UK. Andy and his staff demonstrated to the coaches training sessions that he and his staff have used in the UK as well as being an assistant coach at Fort Lewis College. Special thanks to Scott Emerich (Durango High School), Tony Hurt (Heritage High School) and Theresa Echtermeyer (Mountain Vista High School) for their help in organizing the clinicians. In addition to the field sessions held at Arapahoe High School, coaches were required to attend the Strength Training for Female Athletes seminar and visit the Exhibitors at the Red Lion Hotel Saturday morning. The Session and the exhibits were well received.

During the clinic weekend we also hosted the Soccer All-State Games at Littleton Public Schools Stadium, showcasing the top boys and girls high school players (3A, 4A, and 5A) from across the state. It was a fantastic set of games. Thanks to my coaching staff and the many others that helped coordinate this successful showcase.

This year’s Tracy Fifer Service to the High School Community Award recipient is Jack Busher. Jack was the boys and girls soccer coach at Cheyenne Mountain High School for 25 years. He officially retired in 2005. Jack was given the award at the All-State Game.

Good luck to all this fall season. Our All-State selection meeting will be held on Saturday November 14 at 10 a.m. at Arapahoe High School.
