Johns Creek, Georgia 30022

Dear Parents, Families, Friends and Sponsors:

Welcome to the 25th season of Chattahoochee High School football. I want to take this opportunity to thank you for your support of the Cougar Football Program. Chattahoochee has a rich football tradition and I'm reminded that our success did not come easy or quickly. Rather it is the natural result of hard work and commitment, both on and off the field, in order to achieve this level of success and I truly believe that our community is a big part of this achievement.

Our success relies not only upon the young men and women in our program and their coaches, but also upon the school district, school administration, Gridiron, our parents, our alumni, the local business community and the friends and families associated with our football program. It is only through the combination of all that each of you do for this football program, whether through volunteering, fund raising or sometimes just writing a check, that contributes to our ongoing success.

As we kick off the 2016 football season, I want wish our young men and women success and hope that they achieve every goal they set for themselves on the football field, in the classroom and in life. I want to thank each of you for helping us accomplish our mission: to lead students to their full potential through excellence in academics, arts, athletics, and service to the community.

There is no other place like Chattahoochee on a Friday Night and we have each of you to thank for that! We are creating memories and relationships for our young men and women that will last a lifetime! Go Cougars. #true2blue #backtheblue

With much respect,

Tim Corrigan
Principal

VINCE STRINE **CHATTAHOOCHEE'S HEAD FOOTBALL COACH**

Hooch Family,

I want to take a moment to thank you for being a part of Chattahoochee Football. For the past 25 years, Chattahoochee Football has made many memories alongside our community. Without your support over the years, the Region Championships, the trips to the Georgia Dome, and the State Championship would not have had such a lasting impact on our school. We challenge our players to be "Above the Line" in everything they do, and Chattahoochee High School takes so much pride in being well above the line in its athletics, academics and fine arts programs each and every year. I ask you to help in keeping that bar high and supporting our many programs throughout the school so that we can continue to achieve the very best.

This season has some exciting changes built in; everything from a new region, to new team goals, to familiar faces within our coaching staff. I am excited to see what this season brings out of our team. Our players and coaches have worked hard since the end of last season to be best prepared for Friday night lights; and every Friday night we are going to need the loudest and most supportive fans. Our parent volunteers have worked countless hours to put together a top-notch support system for these players, and our community businesses have forged partnerships that we are so thankful for. I want to welcome you to the Arena tonight. Thank you for being here to support us and making Chattahoochee a place like none other.

Again, thank you for your support of our program!

SENIOR SPOTLIGHT

■ EMILY NORD / TRAINER

What is something most people don't know about you?

I had two shoulder surgeries before my sophomore year for a condition called scapular dyskinesia, and it's what made me want to become a physical therapist. (Interesting fact: I am now ambidextrous for doing mascara and buttoning my pants because of needing to learn to be a lefty for a few months after surgery #1)

What is a unique hobby of yours?

I love to do yoga, especially when I'm stressed.

What is the best advice anyone ever gave you?

A pastor at the camp I go to in the summer once told me "ne carborundum" which is short for a Latin phrase which means "don't let the [bad things/people] grind you down". (Actual quote has an expletive.) It really spoke to me in that period of my life and continues to inspire me every day.

What is your favorite family tradition?

On Christmas Eve, we go to the candlelight church service. After, we come home, watch "It's a Wonderful Life," and each open a Christmas Eve present – always Christmas pajamas (a tradition my paternal grandmother started) – which we wear all the way through Christmas day.

JORDAN BICKHAM

What advice would you give to underclassmen?

Pay attention in class and do all of your homework beginning with your freshman year.

What's your favorite saying?

One of my favorite sayings is from Ephesians 2:19-22, "Whenever you feel unloved, unimportant or insecure remember to whom you belong."

What is your favorite way to pass the time on the bus for away games?

When traveling on the bus to away games, my favorite thing to do is to listen to music with my teammates and sing out loud.

What is your dream car?

My dream car is a Volkswagen Bus.

What are your goals after graduation?

My goal after graduation is to become a pediatric nurse.

TAYLOR DALE

What are your goals after graduation?

After graduation I plan on attending college and majoring in sports medicine and athletic training.

What is the best advice anyone has given you?

Life's too short to stress over the little things.

What is your most memorable Hooch Football/cheer experience?

During our last competition my sophomore year, my team and I did the best we've ever done. We worked so hard and at the end of the routine I was so proud of how we did. We all were crying because of how happy we were and our coach burst into tears, too. It was so amazing to finish out the season like that and it is something I will always remember.

What is your favorite way to pass the time on the bus for away games?

My team and I always blast music on the bus and sing as loud as we can.

What advice would you give to underclassmen?

To enjoy high school as much as you can, it goes by so fast and all of a sudden it will be over before you know it. Go all out for the football games, be the loudest one in the stands during pep rallies, and have fun during it all.

SIENA FUSCO

What are your goals after graduation?

I would like to follow my mom's footsteps and study fashion merchandising.

What is the best advice anyone has given you?

My parents have taught me to always believe in myself and never give up.

What is your favorite family tradition?

Every year our family gets together on Thanksgiving and plays a turkey bowl.

What is your favorite way to pass the time on the bus for away games?

I like to play music on the bus. Our whole team sings the songs and it is a lot of fun.

What advice would you give to underclassmen?

I would tell them to make the most of all your high school years and to enjoy every minute of it.

BIANCA LEONE

What is a hobby of yours?

Hanging out with friends.

Do you have any pregame rituals?

Get ready in the hall, and listen to music.

What is your favorite way to pass the time on the bus for away games?

Listen to music.

What advice would you give to underclassmen?

Enjoy your time in high school; it ends quickly.

What is your favorite restaurant/hang-out?

Cook Out.

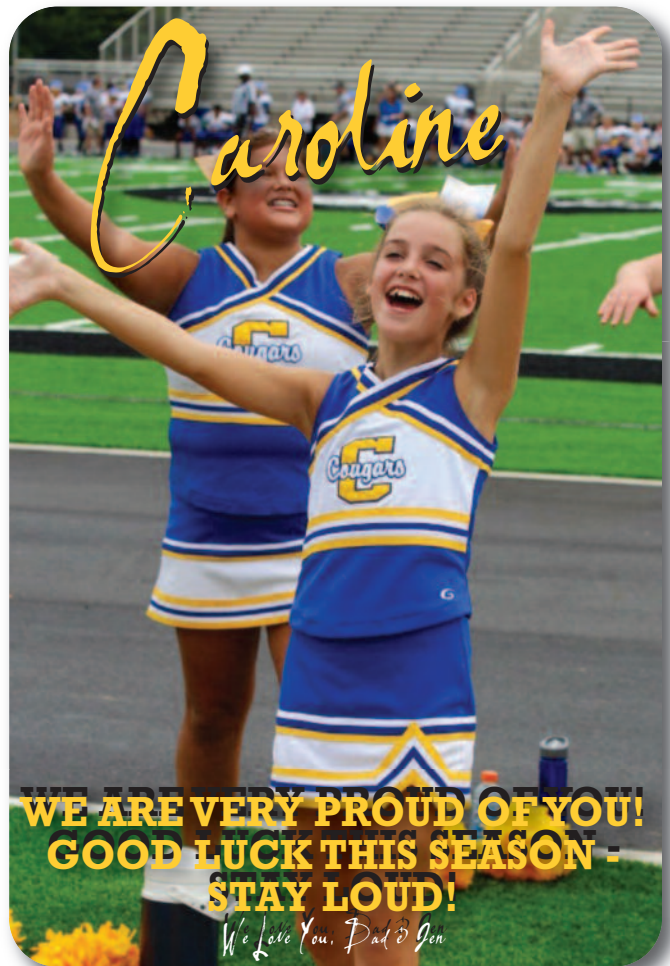

SIENA

Thanks For 4 Amazing Years! Love, Mom & Dad

FUSCO

**WE ARE VERY PROUD OF YOU!
GOOD LUCK THIS SEASON -
STAY LOUD!**

We Love You, Dad & Jen

CHEERING YOU ON

TO A WINNING SEASON!

HAYDEN SHELTON

What are your goals after graduation?

After graduation I plan to attend college and pursue a degree that will allow me to work with kids who have cancer (either as a nurse or through a nonprofit like the Make-A-Wish Foundation).

What is the best advice anyone has given you?

Every day may not be good, but there is something good in every day.

What is your favorite way to pass the time on the bus for away games?

My favorite way to pass the time on the bus for away games is to listen to music.

What is your favorite restaurant/hangout?

My favorite restaurant/hangout is Cook Out. I love their shakes.

What is your dream car?

My dream car is a Jeep Wrangler.

ALLISON SPENT

What is a hobby of yours?

Playing my guitar or ukulele.

What is something most people don't know about you?

I am in the Chattahoochee Wind Ensemble and have been for the past two years.

What is your favorite way to pass the time on the bus for away games?

Playing music out loud with my teammates to get pumped up for the game.

I like practice when we ...

I like practice when we make jokes and just have fun, but we are still able to get stuff done.

What advice would you give to underclassmen?

Don't let grades stress you out 24/7. Yes, grades are extremely important, but it's also important to get out, have fun, and make great memories with your friends.

CHEER SENIOR SPOTLIGHT

PAIGE WILKERSON

What is the best advice anyone has given you?

I think the best advice anyone has ever given me is to stop caring what other people think about you and just be yourself.

Do you have any pregame rituals?

I always braid my team's hair before games (and sometimes competitions). I'm sort of known as the team hair stylist.

What is your favorite way to pass the time on the bus for away games?

My team and I normally jam out to throwback music and just have a lot of fun, enjoying each other's company.

What advice would you give to underclassmen?

Enjoy every moment of high school while you still can. It flies by extremely quickly, so make the best of everything.

What's your favorite saying?

"Be yourself and the right people will love you."
