

REDLANDS BASEBALL/SOFTBALL FOR YOUTH, INC.
P.O. Box 7875, Redlands, CA 92375

“Providing Recreational Baseball/Softball to the Youth of Redlands”

*****PRESS RELEASE*****

On Saturday, June 3, 2017 at 7:00pm, Redlands Baseball for Youth will be hosting a great event featuring its own “Xtreme Team” versus representatives from the Redlands Police Officer’s Association. The Xtreme Team, coached by Andy Pelton with the help of Luby Weaver, is made up of special needs athletes with a wide range of ability levels, including physical and developmental disabilities. Players range in age from 5 to 45 (and up). The team offers all players an opportunity to learn about and participate in the game of baseball, as well as interact with their peers.

Redlands Baseball for Youth is encouraging all baseball fans, young and old, to come to this free event and cheer on RBY’s Xtreme Team as they take on Redlands’ own men and women in blue. The game will be held at RBY Community Field, 1500 Church Avenue, Redlands, CA.

RBY would also like to thank the Xtreme Team sponsors, Loma Linda University's PossAbilities and 7-Eleven for helping to make this possible.

For further information regarding Xtreme Team or the RPOA, please visit their respective websites at www.rby.org or the Redlands Police Officer’s Association at www.redlandspof.org.
