Our annual HFL Girls Basketball Camp will be held on June 27, June 29, July 11 and July 13<sup>th</sup>. We have decided to stagger the dates to allow the girls to participate in Summer league on Monday and Wednesday nights and to give them time off for Independence Day should anyone be traveling. The camp introduces younger athletes to the drills and practices used by the JV and Varsity basketball teams, offenses and defensive philosophies used within our program and culminates with a day of fun contests and games. Each athlete will get a Camp T-Shirt!
