

Let Scarlet Reign!

2019 Mt Si High School Football Sponsorship

Here in the Snoqualmie Valley, we have something special - a high school football program that has been slowly building, developing and transforming into a premiere program - both on and off the playing field! The excitement for the 2018 season has already been present during the off-season. The players, coaches, faculty, parents and our local community members are dedicated to making this season the best ever. Are you?

The funding from sponsors helps support many areas of the program that have immediate and long-term positive impacts. Some of these areas to highlight are:

Player Equipment
Coaching Staff Development
Off-season Training Camps
Academic Support & Tutoring
Scoreboard and AV Equipment
Player Scholarships

The Mt. Si Football program operates at a fraction of other elite local area high school programs like Bellevue, Skyline, and Bothell. We need your help to continue the climb and remain competitive at the highest level.

This year's Wildcat Football Sponsorship Program is better than ever! Whether you want to advertise in the season program, have presence on Wildcat social media platforms, hang a banner for thousands to see at Mt. Si Stadium, or have reserved seating with a special VIP concession window during every home game, we have sponsorship levels to fit every budget.
