## Champlin Park Football - Post Game Meal Opportunity

### WHAT is a POST GAME MEAL?

A meal served after each varsity game to the Champlin Park football community (All Players, Coaches, Managers, even student fans!)

### WHY serve a POST GAME MEAL?

First and foremost, it builds teamwork and a sense of community! It gives the players and their student fans a place to go after the game to celebrate their successes together! In addition, many of our players are on free and reduced lunch and these helps them eat a filling and healthy meal at least one night during the weekend.

### WHAT CAN YOU DO?

We rely on local businesses to supply the majority of the food and drinks. Any type of donation is appreciated (main dish foods such as pizza, hamburgers, taco fixings, as well as side dishes and beverages). Parents generally supplement the meals with homemade desserts. The boys love it all!

### WHAT DO YOU GET?

We will acknowledge your donation in our football program as well as during each of our home games (4 + playoffs). The boys will sign a football poster and deliver it to your business shortly after the season begins. If you like, we will also prepare a sign advertising your business and will display it during the meal.

### YES, I WANT TO HELP!

We will start scheduling our meals during the summer months. We'd love to add your business to our list! If you're interested, let your CP Touchdown Club member know and we will contact you beginning in June.

We could never provide this type of meal without support from the Brooklyn Park and Champlin communities. **THANK YOU for your consideration!**
