

Dear Sir or Madam:

Thank you for your past contributions to the Broome High School Athletic Booster Club. Your generosity and support of Spartanburg County School District 3 and its athletic program is greatly appreciated.

The Athletic Booster Club is now working on its 2017 Fall Media Guide and would like to offer your business the opportunity to advertise in our publication. Programs are sold at all BHS home football games and are an excellent opportunity for you to reach out to the community and advertise as well as support your local high school athletics. In addition, this is a great tax deduction for your church, business, or for personal use. **Last year the Broome ABC gave back over \$40,000 to the Broome Athletic teams.**

If you wish to take advantage of this great and inexpensive advertising opportunity, please fill out the enclosed form and return to:

Yours in Blue & Gold
