The Virginia Basketball Academy (VABA) is a non-profit organization whose *Mission* is to **"build character and shape lives through the game of basketball."** We provide a serious environment for learning the game of basketball through a professionally-designed, comprehensive teaching curriculum that focuses on both **skill and character development**. FOR MORE INFO, PLEASE VISIT OUR WEBSITE at www.PlayVABA.org.

Our most comprehensive in-season programs are the JBL and VDBL, 12-week programs for boys and girls including coaches training, team clinics, practices and competitive games. Through a structured accountability system and a comprehensive coach development program, our Skill and Character Development Curriculum will be implemented consistently over the course of the season. **For our program to provide the opportunities to all our community's youth in need, we need your financial support! Your contribution will go directly to providing an opportunity for a team or individual to participate or to cover the cost of jerseys and/or registration fees.** Please see details below.
