

ORONO FOOTBALL BOOSTERS (OFB) 2017 Membership/Donation Form

We need your support in preparation of the upcoming 2017 football season! The vast majority of equipment purchases, team events and salaries for the football coaches are supported **solely** from the annual coupon card sales and through the OFB budget. **The Orono Football School Sports Fee Registration contributes only \$20 per player to the program.** The program needs additional funding from you. We encourage 100% parent participation in the form of financial contributions and/or volunteer opportunities to continue the legacy of success.
