

Dear Potential HHS Supporter:

Let me take this opportunity to thank you for your consideration in supporting the Hortonville Lady Hoops Program. The foundation of our program is Hard, Smart, and Together, which expresses more than just our style of play. At the center of the program is a coaching staff committed to developing these players into becoming future leaders on and off the court. And what makes this program unique are student athletes that are dedicated team members seeking excellence in every aspect of their lives. These young ladies are high character individuals who are buying into a culture that requires them to put their team and teammates first. I can't tell you how lucky we are as a community to get the opportunity to support and coach these amazing young ladies.

Recently, the team had one of its best seasons in program history by making an appearance in the 2017 WIAA State Tournament. While that was an extraordinary experience, the vision is to establish our program as one of the top programs year in and year out. However, we can't do it alone. It truly takes a village to embrace the habits and traditions that we are building in order to maintain a championship program. We need our community to believe in what we're pursuing and support us as we strive to become the best that we can be.

As you can imagine there are many expenses involved in running a top high school basketball program. Your financial support would go towards paying for the following costs:

- Uniforms, Practice Gear, and Travel Gear
- Dining, Housing & Transportation Costs During Post Season Tournament
- Summer League / Summer Tournament Fees
- Basketball, Scouting, Stats Equipment & Software
- Intro Video & Highlight Video
- End of Season Banquet
- Parents Night & Senior Night
- Event Marketing and Promotion of the Team
- Team Building Experience at Fort McCoy

Your support is extremely vital to our program success! Your contributions will continue to foster a championship environment that is reflective of this program's championship effort. Without the funding of people like you, we would not be able to reach our goals. Thank you once again for your generous support of Hortonville Lady Hoops.

Sincerely,

Coach Ratka
