Team Apparel Policy Q&A's
As of June 26, 2017

Q&A

Q: Will my team manager/coach be ordering warm-up jackets/pants for us once teams are formed?

A: No. Parents/guardians should order Bauer warm-up jackets and pants prior to the season beginning to ensure your player has these items prior to the season beginning.

Q: Will our teams have individual jackets/pants once teams are formed (i.e red jackets or grey jackets)?

A: No. All SAHA traveling teams will have the same team warm-up jackets and pants.

Q: Do I have to purchase these items for my player(s)?

A: No. You are not required to purchase these items, but you are strongly encouraged to as this is our uniform look for this season. We will have the same look for 2 years.

Q: In the past, teams have purchased individual items to make their team look different from others. Will teams still do this?

A: All teams can only order the approved Bauer warm-up jacket and pant per the SAHA team apparel policy. Teams will have the opportunity to purchase hoodies, long sleeve shirts, stocking caps, hats, etc. from an exclusive SAHA online store. This online store will be available to managers and coaches once the season begins.

Q: Will managers be picking out apparel items for each team?

A: Managers will be able to choose with the parents which items they will purchase as a team from the exclusive SAHA online store.

Q: My player is a mite, are we required to purchase the Bauer warm-up jacket and pants?

A: No. Mites are excluded from the team apparel policy, but they CAN purchase any of the items if they choose.
