

Dear Sponsor/Donor,

In alignment with the goal of making youth hockey affordable in our community, the 2021-2022 South Saint Paul Youth Hockey Association is seeking sponsorships from individuals and area businesses to supplement our ongoing fundraising efforts. Your generous sponsorship allows us to pay forward the rich SSP hockey tradition for a new generation of champions on and off the ice.

Your investment is applied to offset typical hockey costs (ice time, tournament fees) which lowers the cost for all of our 150+ hockey families. As well, we provide scholarship funding for individual girls and boys who would otherwise be unable to participate in organized hockey. The number of scholarship applicants continues to increase each season. Whatever amount you are able to contribute will not go unnoticed by our association and the 400,000 annual visitors to Doug Woog Arena in South St. Paul.

We have several annual sponsorship/advertising options available including PLATINUM, GOLD, SILVER & BRONZE levels. You can review details on the next page or on the association website under the "Sponsorship" tab.

Please note direct financial contributions of any amount to the association are also appreciated. Please send via check made out to "SSPYHA" and mailed to:
