

# PARENT ZONE

Parents on the side lines can have a negative impact on player performance if the manner on the sideline is loud, aggressive and obnoxious. Parents on the sidelines should not coach, instruct, abuse or insult any player, parent or official.

## Do

Place your chair on the parent side of the field  
Sit with a dunkin and enjoy the game (soccer parents run on Dunkin)  
Cheer good play from both teams.  
Encourage your child during the game

Parents should set up their chairs back from the sideline and sit back and enjoy the game cheering on the team and applauding good play from both teams.

## Do Not

Watch games outside of the parents' sideline including along the end lines, behind the goals or on the players' sideline. This is a distraction for players, coaches and officials.

CRITICIZE calls of the officials. This is simply unacceptable under all circumstances.

Shout instructions or "coach" players during a match. This is unacceptable and may result on your child not playing during a match.

Engage another player before, during or after a game, either on the field or off of it, regarding any play. Coaches and referees control the games and any dialog from an adult to a player is totally unacceptable and grounds for removal.

Send your child to games or practices wearing any type of jewelry, wristbands, earrings or anything that could pose a safety issue, including casts of any kind. Absolutely no exceptions can be made.

Under no circumstances should you approach a coach immediately before or after a game or practice.
