Look at what your money has helped fund to make our youth league even better! We thank you!

- 1) Parking lot lines painted
- 2) New roof on lower shed
- 3) Purchase of large roller to smooth fields, reseeding 2 fields
- 4) Install new aluminum benches in dugouts
- 5) Fix spouting on buildings

OVYL SPORT UPDATES

◆ **Baseball:** The 2017 spring baseball season was a huge success. We had close to 170 boys and girls participate in the program this year for all age levels including Legion baseball. Our annual OVYL baseball tournaments drew teams from several areas throughout the County and beyond. The tournaments were extremely successful and our home teams performed well! Oley was again very active in participating in the 13U Jr. Legion prep, Jr. Legion and Sr. Legion baseball programs this season with Brandywine through Post 217. Tryouts will be held this fall for the Jr. Legion level teams. We are awaiting the start of the fall baseball season and at press time, approximately 63 kids are registered to play this year. We will be entering 2 teams at the 10U level, a 12U team, 13U & 15U teams combined with players from Brandywine. Hope everyone has a great rest of the year and remember 2018 spring registration will kickoff around New Year's Day!

Mike Reinert

*Sr. OVYL Baseball Commissioner
mreinert@technicon2.com*

John Cappellano

*Jr. OVYL Baseball Commissioner
jpcappellano@nooter.com*

◆ **Soccer:** The travels teams have been practicing all August and are ready for games to start. This season we are fielding two co-ed U9 teams, one U10 boys team, a U11 girls team, and two U11 and U12 boys teams.

The intramural teams have been enjoying their first couple weeks of practices and games. Look for details and announcements for the U8 Roley Oley Goley tournament on Saturday, October 7. Thank you to all our volunteer coaches, team parents and committee members for making this season possible!

Thank you, Matt Adukaitis, OVYL Soccer Commissioner

◆ **Field Hockey:** We have 89 girls playing field hockey this season on 10 colorful teams. We started off our season with help from our OVHS Field Hockey team, (along with some OVMS helpers) running a camp style practices. The girls (and coaches) learned basic fundamentals of the sport while enjoying the enthusiasm of the start of the season.

Thank you to our team business sponsors and everyone that take the time to volunteer at the Oley Valley Youth League. Special thanks and good luck to our OVHS & OVMS Field Hockey teams for volunteering their time at the OVYL! Please check out our new website, www.ovyl.org, for more information on our field hockey program and the OVYL. If you have any questions, please contact me at ovylfieldhockey@gmail.com.

Thank you, Kelly Williamson, OVYL Field Hockey Commissioner

Thank you to our Fall Team Sponsors!
