

Hello Marquette Junior Hockey Families and Friends,

I am excited to announce that Marquette Junior Hockey and Inspire.world have launched a new online shopping platform to provide our club additional funding to achieve our short and long-term funding initiatives.

As part of the Fundraising partnership with Inspire.world, Marquette Junior Hockey will be kicking off the Fundraising efforts with a blitz starting Friday, September 29th. With this blitz, it will provide momentum for raising funds to help defray costs associated with increased ice fees.

Please go to our Inspire.world store site at <http://mqthockey.inspire.world/> We are asking the parents, friends and families to buy an Inspire.world Perks Discount App today. The cost is \$25.00 and \$10.00 goes back to Marquette Junior Hockey. There are discounts at over 365,000 businesses around the country. The card has an app that is loaded onto your phone. Just type in a zip code and you will find numerous choices for food, entertainment, health and fitness, automotive needs and countless other savings. For example: At Applebee's, you can save up to 10%. You can use the app locally and when you travel. Please share this with your friends and families, post to your Facebook and Twitter accounts. Let's get a good start on raising funds.

Go to <http://mqthockey.inspire.world/> and buy an Inspire.world Perks Discount App this Friday, September 29th and check out the other every day products on the store site. There is free shipping on each item. The amount Marquette Junior Hockey receives is listed with each product. We can continue to raise money throughout the year to help defray the costs of travel and tournaments.

Thanks again for your continued support of Marquette Junior Hockey.
