

THREE RIVERS RACING – TR2 PROGRAMS 2018-2019

PROGRAM OVERVIEW

Welcome to Three Rivers Racing, or TR2 for short!

TR2 is a nationally recognized program that offers alpine ski race programs in Minnesota, and camps at Winter Park Colorado and Mt. Hood, Oregon. In Minnesota, we partner with Three Rivers Park District's Hyland Hills, Wild Mountain, Mt. Kato and Powder Ridge.

We have been successfully coaching alpine ski racers of all ages for over 40 years. TR2 offers programs for new and developing racers, high school ski team members and athletes aspiring to national competitions, D1/D3 college racing and Worldcup/Olympic racing with the US Ski Team.

Our coaches are trained on PSIA and USSA methods to develop great skiing skills and excellent racing tactics. We have a low racer to coach ratio and our philosophy is simple: POSITIVITY at all times.

We have ski race programs for everyone!
