

MN Hockey District 9 Tournaments  
2017-2018 Season

**HIGHLIGHTS:**

1. Send tournament application form, tournament rules, tournament bracket, and a check to:  
TROY MARQUARDT  
MN Hockey District 9 Tournament Director  
6672 198<sup>th</sup> Court West  
Faribault, MN 55021
2. To help eliminate late fees: Send in a bracket for 8 teams (this does NOT have to include the actual teams coming). As the tournament weekend nears email me a copy of the actual bracket being used. There is no charge / fee to change a bracket! If you need to cancel a tournament, send a letter to MN Hockey's Tournament committee and they will refund you back the MN Hockey fees.
3. Things to remember when making brackets: Rest time for teams: 2 hours between games, from the **END** of game 1 to the **START** of game 2. Still 10 hours from 1 day to the next and a maximum of 2 games per day.
4. Make sure to pay USA Fees for any out of state teams, even Mite / 8U ½ ice tournaments. Only pay **1 fee per tournament weekend**.
5. Association president sign all forms. (Print name next to it so it is legible).
6. Tournament director sign all forms. (Print name next to it so it is legible).
7. **SEND FORMS IN ON TIME!** Minimum of **21 days prior** to the tournament! The last day to send in sanction forms is **FEB 1<sup>ST</sup>**. This is to try and stop late fees.
8. Approved tournament form must be **posted** at the tournament site.
9. I would like to know what out of state teams are coming to your tournaments so if issues arise [i.e. different playing levels (AAA vs. A)] I can address them. I don't need to approve these teams but rather just want to know what is going on. If you have questions though about where they should be playing, I will be happy to answer.
10. Please let me know of any issues that come up during your tournaments [i.e. game reports; unruly parents / fans / coaches / players; etc...]. If I can help you in any manner with this, I am readily available and willing to do so. I also have no issue with you giving my contact info to these folks so they can contact me directly if requested or needed.
11. **DO NOT HESITATE** to contact me (email, text, or call) for help or to answer any questions that come up (even if it is not tournament related). I am usually very quick to respond. If I don't know an answer, I will find out or at a bare minimum point you in the right direction.
