* denotes upgrade

Riders offered a return to C at the end of each 6-wk series for 'conditioning'.

Upgrading - occurs at end of each 6-week session except in rare instances where, on race committee approval, a rider may be moved.

In so doing, the rider will maintain her points in the exiting category but will not carry points forward to the new category.

Ties - broken by the following: Number of firsts, number of seconds, and so on.

Scoring: 5 pts for 1st; 4 for 2nd and so on

Top 3 from each team are included in team trophy tally.
