

Dear Friend:

The South Wood County Youth Hockey Association (SWCYHA) is a non-profit hockey program servicing the greater Wisconsin Rapids area offering a variety of programs to boys and girls of preschool through high school ages. The coaches, managers, and Board of Directors consist of dedicated parent volunteers who ensure kids have fun in the sport of ice hockey. It is their strong belief that no child shall be left behind – any child that wants to play hockey, can play hockey.

SWCYHA and the WIAA program it supports is not funded by any tax dollars, but solely funded from player registration fees, fundraising and donations. SWCYHA is looking to our area businesses for help in keeping hockey affordable in South Wood County.

Some examples of costs incurred to maintain the hockey programs:

- Ice rental for games and practice
- Maintaining a rental equipment program. Equipment expires and requires upgrades regularly to ensure safety. Children 8 and younger can rent equipment to reduce costs to families with fast growing children.
- Costs for officials for home games.
- Tournament entry fees

Choose a Team to Sponsor

Sponsoring a team helps the players pay for away tournament fees (fee otherwise would be covered by each player on the team) Please choose in order (1, 2, 3) your team to sponsor. Sponsorship is good for the 2017-2018 hockey season. If your chosen team has already been sponsored, your sponsorship may go to another team to ensure all teams are sponsored.
