

We need your help! The City of Baraboo and Baraboo Thunder Girls Softball Association, Inc. have aligned efforts to build a 5th field at Pierce Park for youth softball and baseball. Please consider donating to make this project a reality!

Baraboo Thunder Girls Softball Association, Inc. is a 501a2 organization. Our mission is to provide girls the opportunity to learn the game of softball in a fun, competitive environment while learning life lessons along the way. Baraboo Thunder averages 80-90 participants, between the ages of 8-17.

Baraboo Thunder is taking the lead on constructing another field at Pierce Park for girls softball, but also for youth baseball. Another community field is needed for both practice and games and the newly constructed field 5 will also serve as the new home of *Baraboo High School Thunderbird Softball*.

Fields 1 & 2 at Pierce Park were designed for adult softball with 275' fences and field 3 has shorter fences at 225' but that is still too deep for youth softball, including play at the high school level. The only fields designed for the kids of the community are Statz Field (baseball only) and Field 4 at Pierce Park; however, Field 4 lacks lights and the lights at Statz field are inadequate.

Baraboo Thunder currently hosts two summer tournaments that bring in about 60 teams to the Baraboo area. Adding another field will increase the number of teams and spectators brought into the Baraboo community.

This project is a cooperative effort between the City of Baraboo and Baraboo Thunder. The City of Baraboo will excavate the field and provide infrastructure work. Baraboo Thunder will be responsible for finishing the field as designed in our phased approach (see sidebar).

	PHASE I—\$70,000 Field Construction, Fences, Irrigation, Press Box and Bleachers
	PHASE II—\$50,000 Restrooms and Concessions
	PHASE III—\$120,000 Lights for Field 4 and Field 5
