

What is “Hockey Coaches Care”?

Hockey Coaches Care is the official charitable foundation of the American Hockey Coaches Association. It was created by hockey coaches to assist members of the amateur hockey community in the United States.

Who does it help?

“Hockey Coaches Care” has been designed to help a coach or family member or other member of the greater amateur hockey community who is ill or injured in an accident or who has lost a job or has in some other way come upon hard times.

How have people contributed?

Colleges have given proceeds from “50-50” raffles and from inter-squad games; “Friends” groups and individuals have simply written checks. Donations have been made to memorialize loved ones. There is no standard way to give.

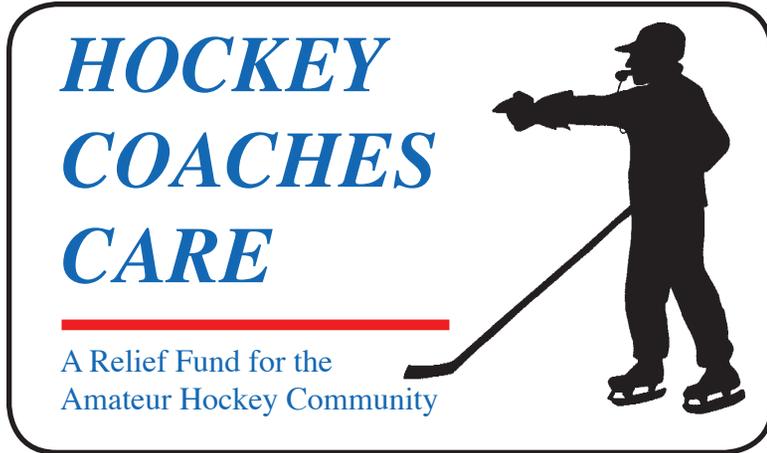

What can I do today?

Contact either:

Jim Tortorella via jim.tortorella@unh.edu, or,

Joe Bertagna at 1-781-245-4177, or via e-mail at jbortagna@hockeyeastonline.com.
