The highlights of the meeting were as follows:

- Sponsorship manual was approved and sponsorship from Extreme Hockey for the AA teams (Pee Wee, Bantam and Midget) was finalized.
- Fall camp registration was reviewed and it was noted that Novice camps were almost full, bantam will only have one group and George Pyne will help as Mike D will be unable to do two of the sessions. Midget is full with a waitlist.
- Some concerns have been raised over the price increase from previous years and the fact that groups can not be picked however the process has been changed. Board decided to follow the process through for the current year
- Maj and Lee will meet with the three rinks to discuss some of the time slots and see if there is any room for optimization
- First Officials Clinic is October 1<sup>st</sup> in Balgonie

- Pee Wee AA and Bantam AA players will help with the Try Hockey Days
- Reviewed requests for membership
- Still searching for a Midget AA Head Coach – Ryan continues to discuss with a number of people
- IP Female registration numbers are enough that we will have an all girls IP team
- Board decided that we would allow the teams to accept etransfer but will not be able to pay outgoing invoices by etransfer as two signatures will be required
- The operating budget was reviewed
- Updates were provided on the cabaret
- The Board met with the Atom Tournament Planning Committee to review direction and specific tasks already completed
- Sponsorship opportunities may be available again this year with Scotia Bank
- The Board reached out to nearby MHAs to discuss the potential of a brain storming session for the female hockey moving forward. A few responded and were interested in meeting

Meeting adjourned at 10:30 PM
